TRANSFER INFORMATION SYSTEM
UWS CAMPUS CONTACTS

This chart summarizes the TIS contacts at UWS institutions. "Advisory Committee" members provide input on issues related to TIS development and implementation. "Campus Liaisons" are the primary contacts for TIS implementation. "UW Colleges Transfer Guides" matches the person at the UW Baccalaureate institution who is responsible for developing transfer guides with a UW Colleges campus contact. "Course Liaisons" are responsible for the institution's course information in the TIS data base. "Equivalency Liaisons" coordinate the establishment and maintenance of TIS course equivalency information. "Web Data Administrators" coordinate the collection and maintenance of the institution's TIS Web information. "Web Technical Administrators" coordinate the technical details related to TIS Web information and access.
