TO: Academic Staff Representatives Council

FROM: Cora B. Marrett 
Senior Vice President for Academic Affairs

SUBJECT: Agenda for September 14, 2005 Meeting

I want to begin by welcoming each of you to the Council for the 2006-07 Academic Year. This includes both the returning and the new representatives.

Last year we had quite an eventful year, with the focus on employment practices and policies. This year, President Reilly has asked that he meet with both the Academic Staff and Faculty Reps at their first meeting to discuss the Growth Agenda. As you are probably aware, the 2007-09 Biennial Budget was passed by the UW Board of Regents in August, and will be reviewed by the Governor and the Legislature over the next several months. President Reilly will discuss with you his vision for the future of the UW System and how this budget request reflects this vision. President Reilly and Associate Vice President Freda Harris will also provide details on the individual campus budget requests that comprise the overall UW System budget request.

We normally use the first meeting as an orientation session for Academic Staff Representatives, to inform you of the major issues facing the UW System personnel, financial, budgetary, legal, and legislative. We will cover some of these areas at our first meeting this year. Associate Vice President Margaret Lewis will provide an overview of Legislative issues, General Counsel Pat Brady will summarize legal issues, and I will cover Academic Affairs issues.

Special Assistant Bob Jokisch will then cover the Academic Staff Reps Survey which I understand grew out of discussions at the Academic Staff Leadership Conference.

The remaining time at the meeting is for the Academic Staff Representatives Council to meet separately from me and other System Administration staff, to elect a convener and discuss other issues you may wish to share among yourselves.
