

*Expanding the Role of Online Learning to  
Increase the Number of Baccalaureate Degree  
Holders in Wisconsin*

**Bob Jokisch**

**Special Assistant to the Senior Vice  
President for Academic Affairs**

# Advantages of Online Learning

- **Provides another option in getting credits students need to complete degree**
- **Another option for non-traditional students**
- **Address needs of on-campus students facing closed sections and scheduling conflicts**

# Goals for Online Learning

- **Expand online learning options**
- **Take a systemwide and statewide approach to offering online learning**
- **Provide a single source for all online courses offered by UW System institutions**
