

SECTION 8

TERMINOLOGY CROSSWALK FOR BUDGET SYSTEM AND SFS

The Office of Budget and Planning has begun the process of replacing budget (Legacy mainframe) terminology with shared financial system (SFS) terminology. To assist with the conversion and to reduce the amount of confusion that may arise from it, the following crosswalk has been developed:

Current Budget Term (Legacy mainframe)	Equivalent SFS Term
Campus	Business Unit
DDS	Department ID
Fund	Fund
Account	Project
Activity	Program
