- (1) The per credit fee for summer session is equivalent to the semester per credit rate for the previous academic year.
- (2) Segregated fee charges for summer session are established using one-half of the semester rate for the previous academic year as the guideline. The charge per credit and maximum fee are set by the individual campus with review by the Vice President for Business and Finance.
- (3) Board of Regents approved differential tuition program.
- (4) No additional charge for graduate students taking over 9 credits.
- (5) Students taking over 12 credits will be assessed the per credit rate for the additional credits.
