From: Larry Rubin *Larry Rubin*
Associate Vice President for Student Affairs & Academic Support Services

Re: UW System HEOA Resources and Contact Information

The Office of Student Affairs and Academic Support Services has posted information and resources pertaining to HEOA requirements to our website. These resources are intended to facilitate UW System campus HEOA compliance. The direct link is www.uwsa.edu/acss/heoa/index.htm.

Included in these resources you will find the "UW System HEOA Reference and Contact Table". The table outlines a number of the HEOA requirements, provides a UW System staff person contact for each requirement, and provides applicable links to UW System Policy or related materials. Please share this information with others involved with HEOA compliance at your institution.

In the next week, project coordinator Diane Treis Rusk will contact you to inquire about your institution's progress as well as other resource needs you may have as you implement the new HEOA requirements. Diane will also serve as a general HEOA contact within the Office of Student Affairs and Academic Support Services. If you have questions or seek a contact relating to a HEOA requirement not addressed within the resources, please contact Diane at dtreisrusk@uwsa.edu or (608) 261-1115. She will locate the information for you or identify the appropriate UW System resources.
