

# LTDC Meeting Minutes: November 2011

---

- Minutes, October 25<sup>th</sup> Face-2Face (Unfortunately, none were taken – my fault for not asking someone to do so.) (Mary-Alice)
- NEW UWS growth Agenda Grants Program RFP 2012-13 (See attachments) (Lorna)
  - Deadline is February!
  - Who has heard about it already?
    - Some have heard about it, information appears to be getting out slowly across campuses. Whitewater has set a deadline of Jan 23.
  - How can LTDC be more a part of this?
    - Lorna asks that reps at least “pick up their ears” to find out what their campuses are doing and what role technology might play in proposed projects
    - Looking for volunteers to look at proposals to find points of collaboration.
    - Mary-Alice will send a prompt by e-mail to generate discussion
- D2L
  - Language packs: please send feedback to Lorna to help determine need. We have “very good pricing” from D2L (for all institutions, all languages). Mixed response: many are excited about it, some are underwhelmed. Deadline: before end of semester.
  - Media management: Kaltura and “D2L Media Service,” hoping to upgrade to this version (9.4.1) in January. Extending pilot through Spring. Asking CSRG for an extension to extend the pilot for an additional year for further testing. Will be asking for feedback at the end of the semester
- LMS Task force
  - Want more LTDC participation in the task force (1-2 more members). Let Mary-Alice or Lorna know if you are interested in participating.
- Strategic Actions update
  - Manual: group is meeting next week. Kristin volunteered to help the group out.
- Regional Showcases has a homepage!  
<http://blogs.uww.edu/ltdc/regional-showcases/>
  - Southeast - <http://blogs.uww.edu/ltdc/regional-showcases/2012-southeast/>
  - Northwest – 20 proposals are in
- See slide for conference reminders (w proposal deadlines)
- **Pedagogical Implications of an Online Instructor Training Program**, Presenter: Kristin Koepke
