LTDC conference planning

- Fall technology conference in lieu of RFP for curricular redesign projects.
- Pat Fellows- Planning Committee chair. Draft program was circulated via email. Title has been confirmed: *Artistry of Engagement: Reaching Learners in the Age of Technology*. Refer to email for details.
- When: October 29-30
- Where: Pyle Center, Madison
- Two keynotes will be remote –
 - Diana Oblinger (educause president);
 - Gardner Campbell – faculty perspective
- Aaron Bower from UW- Madison – 3rd speaker; will be present. Administrative perspective in terms of teaching learning, load, etc.
- 2 large group sessions
 - Hybrid/blended learning (bob koleta-milwaukee)
 - Rich media (jim jorstad-La Crosse)
- Breakout sessions
 - Possible topics are in email
 - LTDC folks: please provide input, topic suggestions, and faculty who can conduct sessions . . . ASAP!
 - No registration fees, LTDC will hopefully sponsor (cover lodging, etc.), approx 60 people max. Guidelines are in email.
 - Send proposals to Pat Fellows
 - Anyone else want to help plan? Let Pat know.
- Friday 1PM long session: (2 hours) Concurrent sessions, Professional development for LTDC people.
 - Faculty will need long session at the same time e.g., hands-on web 2.0, virtual worlds, etc. Invite Madison Engage for this session? Or Madison Digital Media center? Must be Non-LTDC.

Academic Fest

- Educational technology. www.academicfest.org
- LTDC Prof Development money is no longer available. This is a professional development opportunity (perhaps only one this year).
- Can send LTDC reps and others associated with LTC.
- Sponsored by University-System (Ed Meacham) (registration + 2 days lodging, not travel)
- Where: Madison – Monona Terrace

- When: September 15-16
- Slots for 20-25 people
- Early bird ends 8/15
- Let Lorna know if you are interested ASAP - First come, first serve.
- Focus is mostly emerging technology (see website for details)
 - e.g., One workshop is on mobile computing
- ipod touch for attendees!

QM Update

- Lorna is organizing a meeting for QM people
 - What QM activity is taking place?
 - What are campus' plans for QM activities?

Communication Committee

- Wiki link for communication committee has been distributed
 - Wiki includes meeting notes
- 3 meetings via telephone so far
- Mockups for LTDC website are posted on wiki
- Will help publicize fall LTDC tech conference
- Campus updates on LTDC blog going as planned

ePedagogy

- Send ideas to Lorna right now
- Need volunteers from campus LTC to garner faculty interest and participation

D2L Steering Committee and eLearning Task Forces

- Will meet in Madison next week to present findings
 - One discussion will be pandemic planning- will propose campuses include LTDC and site admins in planning

Fall LTDC F2F Meeting

- Possibly dovetailed with Site Admin meeting in Milwaukee – November
- Volunteers for agenda planning?
 - Bob
 - Cheryl
 - Andy
 - Lorna

LTDC Listserv

- Each campus can have 2 people on the list. Some alternates are already on the list.
- Lot's of changes in reps recently
 - Whitewater - ?
 - Oshkosh - ? (as soon as AnnMarie leaves)
 - Madison – Cheryl Diermyer
 - Stout- Jamison Olson
