

LTDC Teleconference
November 16, 2009
Minutes

Attendees: Eau Claire, Whitewater, River Falls, Green Bay, Oshkosh, Superior, Colleges, Stout, Stevens Point, Extension, System

1. Introduce new LTDC-rep - Clarence Maise -
New at Extension/ICS –
Note: Each campus should have one rep & a secondary person on the LTDC list for communications – the following campuses have only one: Stevens Point, LaCrosse, Oshkosh, Platteville, Milwaukee, and Stout. These campuses should identify a second person and communicate that name and email address to Lorna.
2. Review of the LTDC Tech Conference and F2F meeting -
 - a. How well does it work for your campus, lessons learnt.
Faculty enjoyed it, found it useful and helpful
Plan to have sessions to share with campus
Steven & Ed really liked the sessions and were positively impressed with the conference.
 - b. How does the LTDC leadership session work for you, any value to expand and do more?
Good to refresh ourselves as to what direction we should go
Look at how other campuses are structured
Discussed communication issues we all face
 - c. Remind campus team to do the post conference survey
Please take the survey (list link) <http://geturl.uww.edu/0nb>
Please be sure to submit your Travel Expensive Report. Information is on the registration web page
 - d. Remind LTDC-rep to coordinate a post conference session on technology learnt
Be sure to have a post conference session –
Post or share with the other campuses with what you have done

Pat gave her thanks to everyone who worked on the conference.
Thanks to Pat for chairing the committee.
3. Update on Presidential Summit Conference next April 29 – May 1
Proposal review team formed: Alan, Nick, Lisa & Lorna
130 proposals were submitted; ~1/3 are checked as emerging technologies (some with other areas checked as well)
4. Synchronous Tool Review Team action
Members: Amy Mangrich, Jay Scholz, David Delgado, Jamison Olson, Paul Zenke, and Hildy
They created a survey to faculty using Adobe Connect which needs LTDC-rep action
The survey will be sent to the LTDC support person and will be distributed to persons who are using it. It will discuss the current usage of the tool.

LTDC Teleconference
November 16, 2009
Minutes

Illuminate / D2L pilot status - will call for participation soon
Agreement has been worked out for the UW System to run the pilot
Advantages: Voice over IP – integrated with D2L – persistent groups
There will be criteria established to join the pilot
No cost to the campus

5. Second Life Project update

Scott & Pat are planning training for LTDC reps & faculty who wish to use Second Life
Both a sandbox and submit proposals to work on a 'plot' for an island to test out on a class

Train LTDC first or at the same time as faculty?

Pat will provide a WisLine Web with screen shots.

Scott will be "in world" and showing the same things.

Thinking went both ways, but it was generally determined that LTDC reps should have separate training before the more general training.

Lorna - encourage the Emerging Tech grant for using the UW System island or having your own

Consider demo accounts to use & share with faculty – an already created avatar

David discussed how Whitewater handled training – faculty are now asking for pedagogical training

6. Educause report

Pat – Jim Collins (Good to Great) & Lawyer from Stanford (Copyright) – excellent keynote speakers. Not as many Teaching & Learning sessions as in the past.

Lorna and River Falls also attended

7. Learn@UW Executive Meeting on Nov 20 -

LTDC rep for the committee will be chair of LTDC

This is the former steering committee – Lorna is on the committee. The LTDC Exec discussed who should serve – the chair should as it is a three-year cycle on the LTDC Exec group. Our rep will serve one-year. Information will be reported back. Gather information to share up with the Learn@UW Executive.

8. Reminder of Professional Development Fund - first round due Nov 15

It has been extended by one day – tomorrow (11/17)

There is another cut-off date for a second round in January 15

9. Mark the date - for ITMC / LTDC Spring meeting - April 19-20

Will be held in Green Lake

More information will be forth coming

Oshkosh has hired a new instructional design – Kerry Huberty. She will be the new LTDC rep with Nick as the secondary – backup person.
