Re: August 2006 CDR Manual Update

CDR updates and the CDR manual are available exclusively on the web at www.uwsa.edu/opar/CDR/. Paper copies are no longer distributed. Please forward this email to those individuals on your campus to whom you previously distributed a paper copy and/or are involved with the CDR or other data submissions.

A chart with examples of how to report study away activity on the CDR using the new Study Away Course Section Indicator (DE 1420) values has been included in a one page PDF document.

The modifications in this update pertain to the CDR submissions for the 2006-07 academic year, which includes the summer of calendar year 2006. Modifications to the CDR documentation are primarily noted in the right margin. These are marked by '+' for additions, '-' for deletions, and 'x' or a date for changes. Following is a summarization of the changes.
