August 2007

To: CDR Liaisons
From: Gail Bergman, Acting Director
Office of Policy Analysis and Research
Re: August 2007 CDR Manual Update

CDR updates are available exclusively on the web at <http://www.uwsa.edu/opar/cdr>. Please forward this email to those individuals on your campus who are involved with the CDR or other data submissions.

The modifications in this update pertain to the CDR submissions for the 2007-08 academic year, which includes the summer of calendar year 2007. Modifications to the CDR documentation are primarily noted in the right margin. These are marked by '+' for additions, '-' for deletions, and 'x' or a date for changes. Following is a summarization of the changes.

VOLUME I

The CDR Contact and Liaison Personnel lists have been revised to reflect changes.

Student CDR and MAAD (Multiple Application and Admission Database)

Student Classification (DE 2210) editing has been added to prevent non-Wisconsin residents from being reported as senior auditors (S) or OASDI auditors (T).

Two MAAD data elements were added to allow for complete race/ethnicity reporting. They include Hispanic/Latino Indicator (subgroup unknown)(DE 5617) and Southeast Asian Indicator (subgroup unknown)(DE 5652).

VOLUME II

Tables I, III, IV, V, VI, and VII (Curricular Area Codes, Degree Code Table, Major Codes, College Codes, High School Codes, and Address Codes): These tables reflect changes resulting from institutional review and other notification mechanisms. Summaries of changes for Curricular Area Codes, College Codes, and High School Codes are included. Complete tables, including the current high school code table, are available on our website.

Please contact the appropriate table manager (see page I.3) with any questions or concerns regarding the tables found in Volume II.
