President Lyall Plans to Retire

*Statement from Austin Evans,
Chair of Student Government at UW-Madison*

“President Katharine Lyall leaves her post as University System President after 12 years of distinguished service. Looking back at the progress President Lyall has made, especially during recent turbulent budget times, the students of UW-Madison appreciate her dedicated work. Her commitment to protecting the quality of education at UW campuses is greatly appreciated, and we are sad to see her leave after such efforts.

“I have personally enjoyed working with President Lyall during the current budget situation. She has always been a receptive ear to the impacts of the decisions made on the state level. President Lyall leaves behind a legacy of strengthening the academic excellence of the University system. Not only did she keep the best interests of the system in mind, but her openness to involving students in working toward a more accessible and better quality education will be missed.

“President Lyall will surely be missed in the upcoming years, and we hope that the progress and efforts she has made thus far will continue to impact the University system in the future. On behalf of the students at UW-Madison, we at ASM extend our best wishes to President Lyall as she enters retirement.”
