Advising Center Directors Meeting Agenda
March 2, 2021, 3:00-4:00 p.m.
Via Zoom

Planning (30 minutes)
Context

Structure
- Meeting frequency/format
- Convener

Small group brainstorming/Large group sharing
- Do we want to advance priorities collectively as Advising Center Directors? If so, what?
- What are other ways that UWSA/360 Advising can support advising/student success?
- Who else should be involved and how do we effectively engage them?

Next steps
- Individual meetings (updates, promising practices, info for potential future initiatives)
- Planning process/timeline

Submitted agenda items (25 minutes)
Navigate
- Navigate product enhancements: Process / Suggestions?
- Academic Planner: Upcoming demo / Experiences of Milwaukee & Parkside so far?

General
- For those who have a centralized advising model for incoming students, do you complete a graduation plan before sending students to departments for advising?
- Summer registration/orientation updates since last meeting?
- Other

Other (5 minutes)
Upcoming UW System webinars
- *Current Trends & Practical Strategies for Addressing Student Behavioral Health*: 3/3, 3-4 p.m.
- *Maintaining your Navigate Leadership Team:* 3/4, 10-11 a.m.
- *Progress Reports, Alerts, Case Management*: 4/1, 10-11 a.m.
- *Excellence in Academic Advising: Supporting Campus Goals for Student Success:* May, TBD

Next meeting

Registration/Orientation format (*as of last meeting on 1/21*)	
Eau Claire	Pending (likely will model Madison's format)
Green Bay	Pending (likely virtual)
La Crosse	Pending
Madison	Primarily remote; all advising/academic remote; may be some in-person optional components
Milwaukee	Pending
Oshkosh	Pending
Parkside	Pending (likely virtual)
Platteville	Online advising/registration, potentially starting in May; if student wants in-person, will offer one-hour in-person event.
River Falls	Virtual
Stevens Point	Virtual
Stout	Pending
Superior	In-person—6 days/12 sessions with focus on advising/need to know info; virtual session in July for out-of-state students/those who prefer virtual
Whitewater	Pending (likely virtual)
