Messaging in weekly newsletter in early November as students begin registering:

Students who take 30 credits per year are more likely to graduate in 4 years and earn higher grades than those that don't. What can 30 look like?

Fall		Spring		Summer or Winter		
15	+	15	+	0	=	30
12	+	12	+	6	=	30
15	+	12	+	3	=	30
16	+	14	+	0	=	30

Talk to your advisor about how you can maintain your momentum and move towards graduation!
