The Annual Benefits Enrollment (ABE) period is an annual opportunity for eligible employees to enroll in or make changes to select benefit plans for the upcoming year. This is the only time you are eligible to make changes to most benefit plans unless you have a qualifying life event, such as a family or employment change, that allows you to change your benefits during the year.

Changes made during ABE are effective January 1, 2021.

Website Information
Visit the ABE website for 2021 changes to benefit plans, premiums and information on how to enroll. For current benefit information, visit the UW System Employee Benefits website.

Changes for 2021

State Group Health Insurance
The following changes will be made to all plans in 2021:

- Premiums will increase slightly for most plans. Visit the ABE website to review premiums.
- Coverage will be added for biofeedback services for urinary incontinence.
- Health insurance carriers will no longer offer a wellness incentive component within their plans. The $150 incentive through the Well Wisconsin Program administered by StayWell will still be offered.

Well Wisconsin Program Incentive*:
The biometric screening requirement includes the following alternative options:

- Health care provider form,
- Health coaching call (NEW OPTION), or
- Preventive dental exam (NEW OPTION)

*Refer to the Well-Wisconsin Program page for additional information.

Telehealth:

- Telehealth services without cost-sharing will continue in 2021. Services do not need to be COVID-19 related to qualify.
- Cost-sharing still applies for services that would have historically been provided in an office visit setting, but have moved virtual due to the pandemic.
Pharmacy Benefits

Navitus will continue to administer the pharmacy benefits and the benefits will remain the same.

Uniform, Preventive & Supplemental Dental Insurance

There will be no changes to these plans or premiums for 2021. The Uniform and Preventive Dental Insurance plans provide the same coverage for diagnostic, preventive, basic and orthodontic services. Review the following to determine which plan you are eligible for:

- If you enroll in State Group Health Insurance, you are eligible for the Uniform Dental Insurance plan.
- If you waive State Group Health Insurance OR elect the Health Opt-Out Incentive, you are eligible for the Preventive Dental Insurance Plan.

Reminder: You may enroll in one of these plans (Uniform or Preventive) and one Supplemental Dental Insurance plan (Select or Select Plus).
