- Windows 10
- Windows 10 Enterprise LTSB

Mac OS X

- 10.13
- 10.14
- 10.15

Support & Testing

- If you have not yet used Webex, please test your access by going here: <https://www.webex.com/test-meeting.html>.
- If you have connection issues during a session please contact Celia at UWBI@uwss.wisconsin.edu.
- We recommend that you have two monitor screens for each session so that your able to view the presentation on one screen and then work hands-on in the other. Some sessions will be troubleshooting sessions, demonstrations, and/or training.
- Try out the Grid View where you can see all attendees on one screen:

- <https://help.webex.com/en-us/5hbazy/Switch-Between-Video-Layouts-in-Cisco-Webex-Meetings-and-Cisco-Webex-Events>
- We also find it helpful to have a headset for clear audio.
- Make sure to test your audio and video connection prior to the session.

If you have any questions, please do not hesitate to reach out to us at UWBI@uwss.wisconsin.edu.
