Tuition Policies
2026-27 Tuition and Fee Schedule

Guest Students - Audit Policy

See UW System Policy 805 A.14 Audit Policy and Regent Policy Document 4-10 Class Audit Policy for rates.

(1) Wisconsin Act 154 allows a Wisconsin resident who is 60 years of age or older to audit a course without paying an auditor's fee if space is available in the course and the instructor approves.

(2) Normal per credit academic fees are waived for Wisconsin Residents age 60 or older as of the first day of class.

Excess Credits (UW-Madison only)

All resident undergraduate students who have accumulated 165 credits (or 30 credits more than required by their degree program, whichever is more) will be charged a tuition surcharge. For each additional credit taken, this surcharge will be double the resident undergraduate part-time, per-credit rate at the institution.

Students Returning from Military Service

If a student is called to active military duty while enrolled at a UW System institution and the student is unable to complete his/her coursework for that semester, the student will be assessed the same tuition upon his/her return to school as was charged during the last term he/she attended.

This applies only to the first semester the student enrolls after returning from active duty. To be eligible the student must enroll within two years of returning from active military duty.

Early College Credit Program

The 2017 Wisconsin Act 59 eliminated the Course Options and Youth Options programs. The Youth Options statute (118.55) was renamed the Early College Credit Program. The statute allows Wisconsin public and private high school students to take one or more courses at an institution of higher education for high school and/or college credit. For an institution within the UW System or a tribally controlled college (other than UW college campus), the cost is one-third of the amount that would be charged for each credit assigned to the course to an individual who is a Wisconsin resident and who is enrolled as an undergraduate student.
