- (1) The summer per-credit tuition rate is equivalent to the semester per-credit rate for the previous spring semester.
- (2) Segregated fee charges for summer session are established using one-half of the semester rate for the previous academic year as the guideline. The per-credit charge and maximum fee are set by the individual institution with review by the Vice President for Business and Finance.
- (3) Board of Regents approved differential tuition program.
- (4) No additional charge for graduate students taking over 9 credits.
