

UW System Title IX Coordinator Council

Leadership Council

Name of Leadership Council: UW System Title IX Coordinator Council

Supporting Business Unit: Office of Compliance and Integrity

Associated Office/Department: See above

Leadership Council role: To provide guidance and direction to UW System and member institutions on Title IX compliance.

Will this council have decision-making authority? Yes No

Is this group a Chancellor's group? Yes No

If Yes, DO NOT complete the following section.

Scope

Provide direction and guidance in developing and managing the UW System's and member institutions Title IX compliance programs. Make decisions related to Title IX compliance program priorities.

Purpose

Provide direction and guidance to ensure strategic, operational, and compliance risks to the UW System are appropriately identified, assessed and managed for Title IX compliance programs. This work helps fulfill the responsibilities of UW System and member institutions regarding Title IX compliance.

Responsibilities

- Set Strategic Direction and priorities for the Title IX compliance programs.
- Review updates and suggest changes to the programs.
- Review mitigation planning and priorities and make recommendations.
- Monitor new and evolving Title IX compliance requirements and OCR regulations.
- Develop systemwide training modules and professional development days related to Title IX compliance.
- Establish a community of practice and best practices for Title IX compliance.
- Provide technical assistance.
- Provide feedback and implementation assistance for resources and programming from UW System participation in NASEM Action Collaborative.

Organization and membership

The UW System Title IX and Clery Administrator and the Title IX Coordinator from each member institution.

Meeting frequency and location (in person, remote, etc.)

Monthly via remote access. In-person when needed.
