

Precollege Program and Youth Activity Data and Policy Project

Input on UW System precollege policy

Please provide answers to the following questions, along with any other information you deem relevant, to the Office of Compliance and Integrity by May 15, 2020 (compliance@uwsa.edu). Be aware that information provided is subject to Wisconsin Public Records law. If you have concerns about providing certain information, please call Katie Ignatowski, Director of Compliance, at 608-265-2273.

1. What policies does your institution currently have in place governing precollege and youth activities? (Please attach links to relevant policies)
2. Consider any risks or gaps that were identified through your current state assessment and tell us how a system policy might help address them.
3. Consider any risks or gaps that were identified in your response to the 2020 UW System internal audit of “oversight of programs with minors” and tell us how a system policy might help address them.
4. (If applicable) Consider any risks or gaps that have been brought to your attention as a result of your institution’s recreational and educational camps license form the Wisconsin Department of Agriculture, Trade, and Consumer Protection, and tell us how a system policy might help address them.
5. How should the system policy define the scope of “precollege and youth activities” to be governed by the policy?
6. What should be the minimum standards for activities that are governed by the policy? (Consider the following areas. Feel free to add others.)
 1. Registration (Programs, Staff, Volunteers, and Participants)
 2. Screening
 3. Training (What, if any, training should be required regarding prevention efforts as opposed to reporting?)
 4. Reporting protocols
 5. Investigation protocols
 6. Safety plans
 7. Communication plans
 8. Third party requirements
7. UW-Madison’s precollege policy is available here: <https://kb.wisc.edu/precollege-youth-program-policy>. Are there any aspects of UW-Madison’s policy that you would recommend for inclusion in the UW System policy?
8. Are there any aspects of UW-Madison’s policy that you would recommend not including or modifying for the UW System policy?
