College Readiness/ Developmental Education Regional Meetings
Draft Agenda

9:00-9:15  Provost Welcome and Overview

9:15-11:00  Panel on College Readiness

Admissions (Admitting Students Prepared to Succeed)

Senior Year Math (The benefits of students taking senior year math in high school)

Early Math Placement Test (EMPT) (What is the Early Math Placement Tool Program? Who uses it? How well does it work?)

Senior Year English (What should students be learning in English/Language Arts to best prepare them for the rigors of college?)

College Skills Development (What are the other skills that students must possess to be successful in college, and how can high schools help with the preparation?)

11:00-Noon  Questions for Panelists

Noon-12:45  Lunch

12:45-1:30  Breakout Session 1
Breakout sessions/facilitated discussion with K-12 teachers/counselors and UW faculty:
  • How do we better align high school and UW curriculum to enhance student preparation for college?
  • How can we work together to decrease the number of students who enter developmental education and improve the success of those who must complete developmental education?
  • How can we use EMPT and other tools to enhance student preparation for college?
  • Designing English courses that help students prepare for college.

1:30-2:15  Breakout Session 2 (Repeat of Sessions from Breakout Sessions 1)

2:15-3:00  Discussions between UW institutions/colleges and K-12 institutions on how to continue these discussions and implement changes

3:00-3:30  Wrap Up Discussion
