

What is Direct Admissions?

Direct Admissions **proactively admits students into Universities of Wisconsin** based on their high school GPA and course units. Direct Admissions sidesteps the typical college admission process.

How Can Your School Participate?

Are you an **Infinite Campus or Skyward school**? Learn more about participating in Phase 1 by having your district attend a focus group session. Register at go.uwsa.edu/WI-direct

If you are **not an Infinite Campus or Skyward school**, learn more about participating in Phase 2 by contacting Corina Diaz-Suazo, cdiaz@uwsa.edu.
