Re: August 2017 Central Data Request (CDR) Manual Update

CDR updates have been posted to the [web](#). Please forward this email to those individuals on your campus who are involved with the CDR, Multiple Applications and Admissions Database (MAAD), and Financial Aid submissions.

The modifications in this update pertain to the CDR submissions for the 2017-18 academic year, which includes the summer of calendar year 2017. Please refer to the Spring 2017 CDR Update information for prior notice of changes for the 2017-18 academic year. Additional changes are noted below.

VOLUME I

- CDR Liaison contact list has been updated to reflect changes.
- MAAD Admission Action (DE 5136) has been updated to include a new code of '09 to reflect the status "Completed application, applicant cancelled before notification".

VOLUME II

- Tables I, IV, V, and VI (Curricular Area Codes, Major Codes, College Codes, and High School Codes): These tables reflect updates resulting from institutional review and other notification mechanisms. Complete tables as well as summaries of changes have been posted on the website.

Please do not hesitate to contact me, Andy LeBeau, or the appropriate staff/table manager (see Volume I, page I.3) with any questions or concerns.

Thank you.
