

## 12-month Enrollment 2020-21

Institution: University of Wisconsin-Whitewater (240189)

User ID: 55C0011

### Overview

#### 12-month Enrollment Overview

The 12-month Enrollment component collects unduplicated student enrollment counts and instructional activity data for an entire 12-month period. Using the instructional activity data reported, a full-time equivalent (FTE) student enrollment at the undergraduate and graduate level is estimated (4-year institutions only). Institutions with Doctor's - professional practice students will also report the FTE enrollment of those students (4-year institutions only). NCES uses the FTE enrollment to produce indicators such as expenses by function per FTE as reported in the IPEDS Data Feedback Report.

#### Data Reporting Reminder:

- All institutions must use the July 1 - June 30 reporting period.
- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2020-21 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.

#### Changes to reporting for 2020-21:

- Unduplicated enrollment counts of undergraduate students are collected by gender, attendance status (full-time, part-time), race/ethnicity, first-time (entering), transfer-in (non-first-time entering), continuing/returning, and degree/certificate-seeking statuses.
- Unduplicated enrollment counts by distance education status are collected.

Undergraduate Instructional Activity Type

Which instructional activity units will you use to report undergraduate instructional activity?

- Undergraduate instructional activity data in Part B may be reported in units of clock hours or credit hours.
  - Please note that any graduate level instructional activity must be reported in credit hours. (4-year institutions only)
- ☐ Clock hours
- ☒ Credit hours
- ☐ Both clock and credit hours (some undergraduate programs measured in clock hours and some measured in credit hours)

 You may use the box below to provide additional context for the data you have reported above. Context notes will be posted on the College Navigator website. Therefore, you should write all context notes using proper grammar (e.g., complete sentences with punctuation) and common language that can be easily understood by students and parents (e.g., spell out acronyms).

- Graduate credit hour activity should not include any doctor's – professional practice activity, the total of those students' FTE is entered separately instead.

FTE Reporting Reminder:

- Institutions need not report their own calculations of undergraduate or graduate FTE unless IPEDS FTE calculations would be misleading for comparison purposes among all IPEDS reporting institutions.

12-Month Enrollment Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2020.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
