Institution: University of Wisconsin-Parkside (240374)

User ID: 55C0011

### Overview

#### Academic Libraries Overview

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library staff, library expenses, and library services for libraries in degree-granting postsecondary institutions.

#### Data Reporting Reminders

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- Report all data for fiscal year (FY) 2022. Fiscal Year 2022 is defined as the most recent 12-month period that ends before October 1, 2022, that corresponds to the institution's fiscal year.

#### Changes to reporting for 2022-23:

There are no changes to this survey component.

#### Coverage

Include data for the main or central academic library and all branch and independent libraries that were open all or part of the Fiscal Year 2022. Branch and independent libraries are defined as auxiliary library service outlets with quarters separate from the central library that houses the basic collection. The central library administers the branches. Libraries on branch campuses that have separate IPEDS unit identification numbers are reported as separate libraries.

Parent child allocation factors

Parent child allocation factors

The **Academic Libraries survey** report submitted under this UnitID is a combined report that includes data for all the locations listed below. Because this is a combined report, you must provide allocation factors that indicate how the data should be distributed among all included institutions. Allocation factors are percents. The allocation factors you provide will be used to create derived variables for the IPEDS Peer Analysis System to allocate reported data to each component location.

Unit ID	Name of Institution	City, State	Allocation factor	2021 - 2022 Allocation factor

If this list of institutions is not complete, or is incorrect in any way, or if you would like to report data for each component institution instead of submitting a combined report, or if you have any questions or concerns, please call the Help Desk at **1-877-225-2568**.

## Summary

### Academic Libraries Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2023.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
