Overview

Completions Overview

Welcome to the IPEDS Completions survey component. The Completions component is one of several IPEDS components that is conducted during the Fall data collection period. It collects the number of degrees and certificates awarded by field of study, level of award, race/ethnicity, and gender. The reporting period for the Completions component is during the 12-month time period beginning July 1 of the previous calendar year and ending June 30 of the current calendar year; therefore, for this year's Completions component, the reporting period is between July 1, 2020 and June 30, 2021. The Completions component is also collecting the number of students (e.g., completers) who earned awards between July 1, 2020 and June 30, 2021.

Data Reporting Reminder:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2021-22 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.

Changes to reporting for 2021-22

- The onsite component checkboxes have been removed from the distance education question on the CIP Data screen.

Use the 2020 CIP codes for this year's data collection.

- The [CIP 2020 Website](#) includes a list of new CIP codes, a list of deleted CIP codes, a list of moved CIP Codes, and an online crosswalk of the 2010 CIP and 2020 CIP.

Some common Completions component errors include the following:

- Including award levels on your current year Completions that were not reported on your previous year's (PY) Institutional Characteristics (IC). [Award levels in the PY IC component cannot be changed; therefore, contact the IPEDS Help Desk at 1-877-225-2568 if you need assistance.]
- Forgetting to select CIP codes for new programs of study that are offered by the institution, but do not have completions for the reporting period.
- Forgetting to enter in zero in at least one of the cells for CIP codes that do not have completions.
- Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs, and students in these programs are undergraduate students.

Keep in mind that some information provided by institutions on the Completions component appear in the [College Navigator](#), which is a major tool used by consumers searching for information about postsecondary education. It is therefore vitally important that you include accurate information about your institution.

Survey materials can be downloaded using the following link: [Survey Materials](#).
