Institution: University of Wisconsin-Oshkosh (240365)

User ID: 55C0011

### Overview

#### IPEDS Student Financial Aid Component Overview - Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

#### Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2020-21 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.
- Undergraduate Student Groups  
You will be asked to report information for different groups of students.
  - Group 1: All undergraduate students
  - Group 2: Of Group 1, full-time, first-time degree/certificate-seeking students (FTFT)
  - Group 3: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
  - Group 4: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

\*For public institutions, include only those students paying the in-state or in-district tuition rate. For program reporters, include only those students enrolled in the institution's largest program.

- COA Revisions  
Revisions to Cost of Attendance (COA) used to calculate the net price of attendance can be made in this component. Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.
- College Affordability and Transparency Lists  
Net price amounts calculated in SFA will be used to populate the U.S. Department of Education's College Affordability and Transparency lists.
- Interactive Edits and Error Messages  
SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.
- Context Boxes  
You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

#### Changes to reporting for 2020-21:

Comparison Chart

Reporting Reminders:

- Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 is correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

Note:

- Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.
