Institution: University of Wisconsin-Parkside Flex (491297)

User ID: 55C0011

### Overview

#### IPEDS Student Financial Aid Component Overview - Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

#### Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2020-21 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.
- Undergraduate Student Groups  
You will be asked to report information for different groups of students.
  - Group 1: All undergraduate students
  - Group 2: Of Group 1, full-time, first-time degree/certificate-seeking students (FTFT)
  - Group 3: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
  - Group 4: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

\*For public institutions, include only those students paying the in-state or in-district tuition rate. For program reporters, include only those students enrolled in the institution's largest program.

- COA Revisions  
Revisions to Cost of Attendance (COA) used to calculate the net price of attendance can be made in this component. Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.
- College Affordability and Transparency Lists  
Net price amounts calculated in SFA will be used to populate the U.S. Department of Education's College Affordability and Transparency lists.
- Interactive Edits and Error Messages  
SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.
- Context Boxes  
You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

## Summary

**IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2020.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).

## Edit Report

## Student Financial Aid

Source	Description	Severity	Resolved	Options
Screen: Part A - Establish your groups				
Screen Entry	The number of all undergraduate students reported is outside the expected range of between 23 and 41 when compared with the prior year value. Please correct your data or explain. (Error #7120)	Explanation	Yes	
Reason	Due to restructuring among UW System Administration institutions, UW-Parkside absorbed the UW Flexible Option BS in Business Administration program (previously housed under UW Continuing Education Outreach and E-Learning, which no longer exists as a unit). When UW-Parkside took over the program, it also gained the advantage of becoming accredited under UW-Parkside's accreditation. This has led to a rapid increase in enrollments in this program, which explains the increase in Flexible option enrollments at UW-Parkside.			
Screen: Part B - Enter Information about Group 1				
Screen Entry	It is expected that the number of students who were awarded Pell grants is greater than zero for the majority of institutions. If this number actually is zero, please contact the IPEDS Help Desk for assistance. (Error #7115)	Fatal	Yes	
Reason	Overridden by administrator. No students received Pell grants. SS			
Perform Edits	The number of Group 1 students who were awarded federal student loans reported in Part B (line 03) means that less than 5% of all undergraduate were awarded this type of aid. Please correct your data or explain. (Error #7337)	Explanation	Yes	
Reason	The first disbursement of federal financial aid to a UW-Parkside Flexible Option student occurred on 8/13/2020 for the July 2020 subscription period. Prior to this, no federal aid was available to Parkside Flexible Option students. This was a matter of arranging the ability to offer federal aid to Flexible Option students between the institution (UW-Parkside) and the Department of Education. This was finalized in the spring of 2020 and federal aid is now being distributed to Flex option students at Parkside as of July 2020.
