Overview

Admissions Overview

Welcome to the IPEDS Admissions (ADM) survey component. The primary purpose of ADM is to collect basic information about the undergraduate selection process for entering first-time, degree/certificate-seeking students in the fall term. This includes information about admissions considerations, admissions yields, and SAT and ACT test scores (if test scores are used in admissions decisions).

Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- Institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report admissions as of the institution's official fall reporting date or October 15. Institutions operating on an "other academic calendar", a calendar that differs by program, or that enrolls students on a continuous basis (referred to as program reporters) report admissions as students who enroll any time during the period of August 1 through October 31.

Changes to reporting:

The following changes have been made for 2025-26 collection:

- Added Part A – Screening Questions
- Expanded Part B to collect admissions considerations information for transfer-in degree/certificate-seeking students at institutions that do not have an open admission policy and for students in program(s) with admissions requirements at institutions that are primarily open admission but have at least one program that is not open admission (if applicable).
- Added two admissions considerations for transfer-in students in Part B (if applicable).
- Expanded Part C to collect applicants, admits, and enrolled counts for transfer-in degree/certificate-seeking students at institutions that do not have an open admission policy and for students in program(s) with admissions requirements at institutions that are primarily open admission but have at least one program that is not open admission (if applicable).
- Expanded Part C to disaggregate applicants, admits, and enrolled counts by race/ethnicity and full-time/part-time enrollment status.
- Expanded Part D to collect test score information for transfer-in degree/certificate-seeking students at institutions that do not have an open admission policy (if applicable).
- Added Part E – Waitlist, Early Decision, and Early Action (if applicable).
- Revised "gender" to "sex" where applicable. Revised "men" to "male" and "women" to "female" where applicable.
- Removed question collecting student headcounts of Another Gender.

If you have questions about completing this survey, please contact the **IPEDS Help Desk at 1-877-225-2568**.

Part A - Screening Questions 1

1. For the Fall 2025 admission cycle, did your institution have an open admission policy under which virtually all students that completed a high school diploma (or received a GED/other equivalent) were admitted for all or most entering undergraduate-level programs?

Institutions that require only an Ability to Benefit (ATB) or similar test beyond the high school diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

If your institution has one or more programs with admissions requirements, you should select 'no' to this question.

Data reported to the Admissions survey component will vary based on response to this question.

- Yes, all undergraduate-level programs at the institution are open admission.
 - This response will result in no admissions data, other than the ATB question, being collected.
- No, all or nearly all undergraduate-level programs at the institution have admission requirements.
(i.e., all or nearly all entering students are evaluated against admission criteria to be granted admission to the institution)
 - This response will result in admissions data being collected for **all entering students**.
- No, only one or a few undergraduate-level programs at the institution have admission requirements.
(i.e., all or nearly all programs are open admission; only students applying to a limited number of programs are evaluated against admission criteria to be granted admission to the institution)
 - This response will result in admissions data being collected **ONLY for entering students in those programs with admissions criteria**.

Part A - Screening Questions 2

3. For which entering degree/certificate-seeking undergraduate student type(s) does your institution have admissions requirements?

- First-time students
- Transfer-in students

4. If your institution has admission requirements for both first-time students and transfer-in students, are these requirements the same?

- Yes
- No

5. Did your institution enroll first-time degree/certificate-seeking undergraduate students in Fall 2025? If no, you will not report admissions data for first-time students.

- Yes
- No

6. Did your institution enroll transfer-in degree/certificate-seeking undergraduate students in Fall 2025? If no, you will not report admissions data for transfer-in students.

- Yes
 - Students may transfer credits earned from coursework completed at another postsecondary institution (e.g., college, university).
 - Students must complete a minimum number of credit or clock hours to enter as a transfer-in student.

Report the minimum number of credit or clock hours

- Clock hours
- Credit hours

- No

Part B - Admissions Considerations

1. Select the option that best describes how your institution used any of the following data in its undergraduate selection process for the fall 2025 student cohort.

The options are:

- Required to be considered for admission (not applicable for legacy status)
- Not required for admission, but considered if submitted
- Not considered for admission, even if submitted

Considered means that an institution includes an item in the package that is reviewed by admissions officers during the review process and the item may factor into a decision for admission.

 You may use the box below to provide additional context for the data you have reported above. Context notes will be posted on the College Navigator website. Therefore, you should write all context notes using proper grammar (e.g., complete sentences with punctuation) and common language that can be easily understood by students and parents (e.g., spell out acronyms).

Part C - Applicants, Admits, and Enrolled - First-time students

Provide the number of **first-time, degree/certificate-seeking** undergraduate students who applied, who were admitted, and who enrolled (either full- or part-time) at your institution for Fall 2025. Include **early decision, early action**, and students who began studies during the summer prior to Fall 2025.

Report admitted students who enrolled in the summer ONLY IF they remained enrolled into the fall.

Only include levels that you indicated were offered in the IC survey component. If you made an error in IC, please remember to fix the error next year.

Note that "sex unknown" students must be allocated into the 'Male' and 'Female' categories.

Part D - Test Scores

Provide data for all students for whom a test score was used in the admissions decision for Fall 2025. Include new students admitted the summer prior to Fall 2025. If you report less than 5 students for any of the scores, do not report percentiles.

Institutions that use test scores for some students report the number of students for whom test scores were used.

Report the scores used in the admission decision, whether test scores are required or are only considered for admission.

If you report less than 5 students for any of the scores, do not report percentiles.

Institutions that use test scores for some students report the percentile scores for the students for whom test scores were used.

Part E - Waitlist, Early Decision, and Early Action

Waitlist

For Fall 2025, did your institution maintain a waitlist for first-time students? A waitlist is a list of applicants who met admission requirements but were only to be admitted if space became available.

Yes. If so, check below if your waitlist is ranked.

Waitlist is ranked.

Indicate the number of applicants placed on the waitlist and the number admitted.

Number of applicants from waiting list admitted

No

Early Decision

For Fall 2025, did your institution permit first-time students to apply and be notified of an admission decision in advance of the regular notification date if the student commits to attending if accepted (Early Decision)?

Yes

Number of applicants received for Early Decision

Number of applicants admitted for Early Decision

Number of applicants admitted for Early Decision that subsequently enrolled

No

Early Action

For Fall 2025, did your institution permit first-time students to apply and be notified of an admission decision in advance of the regular notification date that did not require the student to commit to attending if accepted (Early Action)?

Yes

Number of applicants received for Early Action

Number of applicants admitted for Early Action

Number of applicants admitted for Early Action that subsequently enrolled

No
