Overview

Cost Overview

The purpose of the Cost (CST) component is to collect information on student charges for Cost of Attendance estimates and to calculate an Average Net Price (ANP) for first-time, full-time undergraduate students to meet requirements of the Higher Education Act of 1965 (HEA), as amended. This component also collects information on tuition and fees for other groups of students.

Much of the data reported on CST appear on College Navigator, which is updated only one time after CST data have been reviewed by NCES. Therefore, any data reporting errors may stay on College Navigator for a full year.

Additionally, the ANP calculation has important implications for what students see about your institution, and also for the College Affordability and Transparency Center lists.

Data Reporting Reminder:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.

Changes to reporting:

- No changes for the 2025-26 data collection period.

Resources:

- To download the survey materials for this component: [Survey Materials](#)
- To access your prior year data submission for this component: [Reported Data](#)

If you have questions about completing this survey, please contact the IPEDS Help Desk at 1-877-225-2568.

| Reason | For students attending the UW-Whitewater Rock County campus and living with their parents or on their own, they're commuting at their own expense to attend classes. Rock is a commuter campus, there are no dorms. For Rock students living on campus, they are living in UW-Whitewater dorms in Whitewater and taking a free UW-Whitewater shuttle to and from Janesville. And for the students at Main who are living with their parents, they're commuting/incurred costs for travel to attend classes. | | | |
| Screen Entry | For students living Off-Campus (with family), any charges reported for food and housing are expected to be small, as it is assumed that students living at home with parents will be responsible for minimal food and housing costs. Please review your student financial aid budget(s), and if this amount is determined to be correct, please provide an explanation for the value reported. Otherwise, please revise your data. (Error #11564) | Explanation | Yes | |
| Reason | This is the estimated meal plan cost. | | | |
