

Fall Enrollment 2025-26

Institution: University of Wisconsin-Superior (240426)

User ID: 55C0011

Overview

Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, sex and race/ethnicity. In addition, first-time students' fall-to-fall retention rates and the student-to-faculty ratio are collected. Enrollment by age is required in odd-numbered years, and enrollment by residence of first-time undergraduates is required in even-numbered years.

Institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.

Data reporting reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior year reporting.
- Part B, Enrollment of students by age, is required this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduates, is optional this year.
- For reporting students studying in consortium agreements, please refer to the Resource page at <https://nces.ed.gov/ipeds/report-your-data/data-tip-sheet-reporting-data-consortium-institutions>.

Changes to reporting for 2025-26:

The following changes were implemented for the 2025-26 data collection period:

- Removed question collecting student headcounts of Another Gender.
- Revised "gender" to "sex" where applicable. Revised "men" to "male" and "women" to "female" where applicable.

Resources:

Part A - Fall Enrollment - Sex Unknown

Reporting Reminders:

- The purpose of this supplemental section is to determine whether institutions are able to report the number of students for whom sex is unknown. Note that these students must still be allocated into the 'Male' and 'Female' categories in all other sections of the survey component.
- Institutions should not ask students that do not select a binary sex to allocate themselves to a binary sex; it is up to the institution to allocate unknown students into the binary categories throughout the forms where required. One method commonly used by institutions is to allocate these students to the binary categories required in other parts of the form using the proportion of male to female reported.

Retention Rates - Full-time, First-time Bachelor's Seeking Cohort from Fall 2024

Academic reporters determine the cohort and retention as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2024 and retention based on August 1, 2025.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from and inclusions are added to the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

Retention Data Reporting Reminders:

- Include only **full-time, first-time bachelor's-seeking** students in this cohort.
- Determine the full-time cohort using Fall 2024 status (e.g., if a student was full-time in Fall 2024, report them in the full-time cohort regardless of their Fall 2025 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.
- Report in the exclusions box (line E2a) the number of students from the cohort who left the institution for any of the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including those called to active duty); to serve with a foreign aid service of the Federal Government (e.g., Peace Corps); or to serve on official church missions.
- Report in the inclusion box (line E2b) first-time bachelor's-seeking study abroad students who were excluded from the first-time cohort (line E1) but who have re-enrolled at the institution their second year.
