Re: 2026-27 CDR Manual Update

This memo includes information about modifications to CDR submissions for the upcoming academic year (2026-27). Details of the modifications can be found on the UWSA CDR [webpage](#). While this email is being copied to others at your institution who are involved with the CDR submissions, we ask that the CDR Liaisons communicate with appropriate offices regarding the CDR changes as well as with OPAR staff regarding changes at your institution that may affect the submissions.

As you review the update document, modifications to the CDR documentation are primarily noted in the right margin. These are marked by '+' for additions, '-' for deletions, and 'x' for changes.

Please review the following items and respond to Emma Chen (wenxuan.chen@wisconsin.edu) with any updates, corrections, or concerns by July 13, 2026:

- CDR Curricular Area Code (CAC) Table (Volume II, Table I.C). – Confirm with your Budget Office and Registrar's Office to ensure that your institution's **CAC/Cost Center Hierarchy crosswalk for AY26-27** reflects current budget and curricular (subject) areas. Please inform us of any changes for the 2026-27 academic year. Changes already submitted for 2026-27 will be reflected in the August update (and currently available in the Oracle table).
