

Wisconsin Public Higher Education UW and WTCS

- Distinct Missions Create Efficiency
- Working Together is Essential for Economic Development
- Collaboration: More than Meets the Eye
- Further Strides Coming in 2003-04

1996-2002 UW TRANSFERS TO THE WTC SYSTEM

1996-2002 WTCS TRANSFERS TO THE UW SYSTEM

New Degree Completion Programs

“2+2” programs

- Permit 50-60 credits to apply toward degree requirements.
- Are regional or statewide
- These include:
 - Collaborative Nursing Program
 - Early Childhood Education at Milwaukee, Whitewater and Parkside
 - Service Management and Industrial Management at UW-Stout
 - Radiation therapy and Clinical Lab Science at UW-La Crosse
 - Bachelor of Applied Science at UW-Stout
 - Bachelor of Liberal Studies – Supervisory Management at UW-Oshkosh

Degree Completion Initiatives Now Underway

- Current programs to be expanded
 - Gateway and UW-Parkside's Accounting and Marketing/Business Management to WTCS districts in Southeast Wisconsin
 - UW-Oshkosh Supervisory Management to additional areas of the state
- Developing new regional and/or statewide collaborative degree completion programs in computer science, criminal justice, and business.
