

Collaborations in Milwaukee and Milwaukee Clinical Campus Update

University of Wisconsin
**SCHOOL OF MEDICINE
AND PUBLIC HEALTH**

***Robert N. Golden, M.D.
Dean, School of Medicine and Public Health
Vice Chancellor for Medical Affairs
UW-Madison***

Milwaukee Collaborations

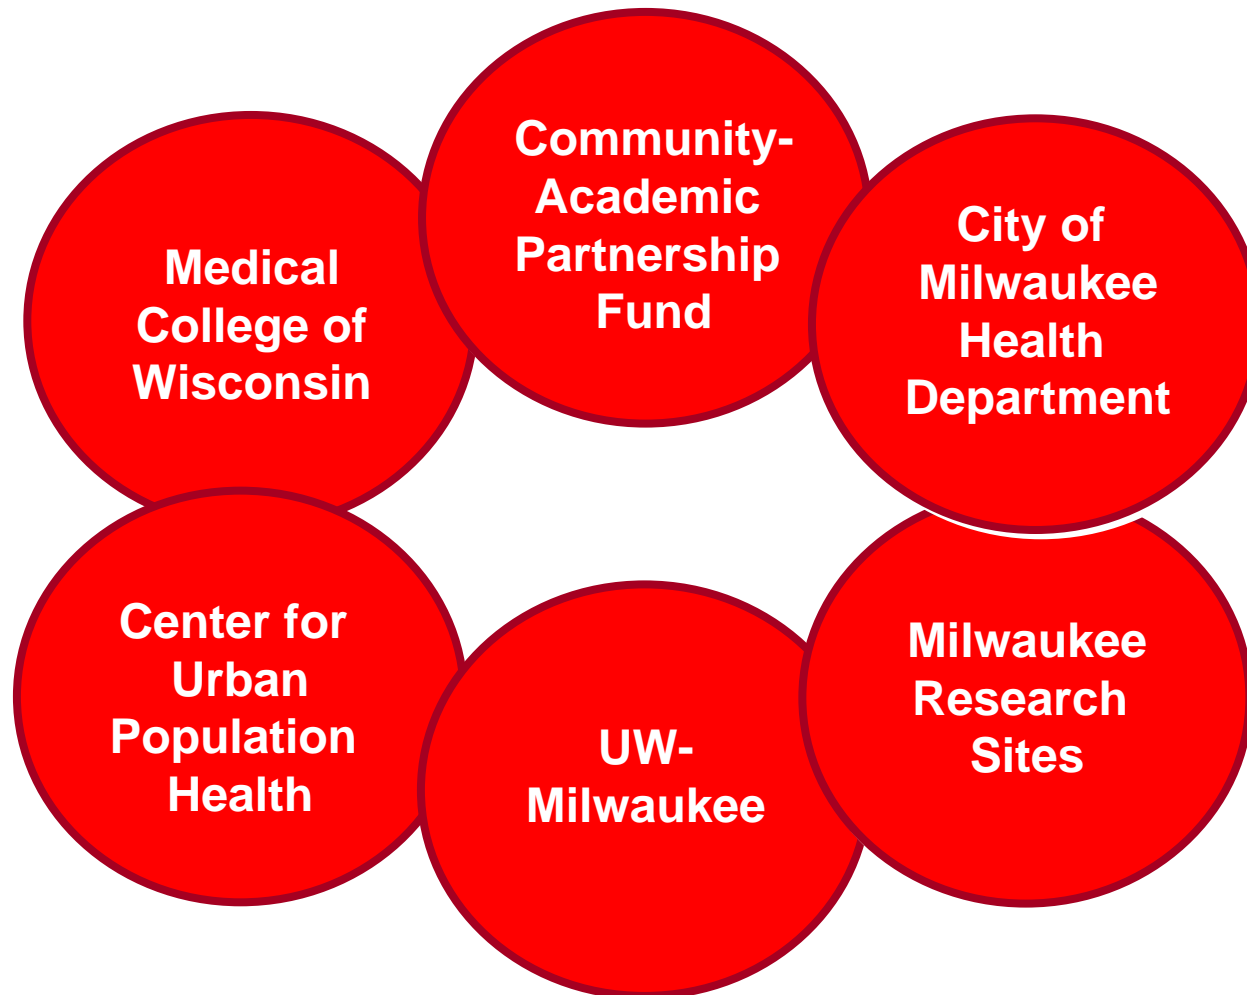

Supported by:

- The Wisconsin Partnership Program
- UW School of Medicine and Public Health

*Addressing public health challenges
in Milwaukee through collaborations with the
Milwaukee Health Department, community health and
healthcare organizations, and educational institutions*

Wisconsin Partnership Program Collaborations

***Wisconsin Partnership
Program***

\$1,410,488

**Community-
Academic
Partnership
Fund**

- **7 grants to community health organizations**
- **\$25,000-\$450,000 per grant**
- **Address public health needs and eliminate health disparities**
- **Representative Projects:**
 - Improving birth outcomes in minority populations
 - Providing social support and case management for women at risk for partner violence
 - Promoting healthy and safe neighborhoods

*Wisconsin Partnership
Program*

\$1,069,000

City of
Milwaukee
Health
Department

- **Promote the Milwaukee Health Department as a flagship education and training site**
 - Population Health Fellowship Program
 - MPH Student Field Placements
- **Address critical public health issues**
 - Serving the needs of African Americans with cancer
 - City-wide effort to create a HIV/AIDS service plan
- **Coordinate training and education and create public health workforce pipeline**

**Wisconsin Partnership
Program**

\$1,069,000

**City of
Milwaukee
Health
Department**

“The City of Milwaukee Health Department and the UW School of Medicine and Public Health have worked very hard over the last year to increase the level of collaboration between the two entities. One result is the new Coordinator who will provide teaching and mentoring for the fellows, the MPH students, and other learners.”

Bevan Baker, Milwaukee Health Commissioner

***Wisconsin Partnership
Program***

\$450,000

A red circle with a dark red outline, containing the text "Milwaukee Research Sites" in white.

**Milwaukee
Research
Sites**

- **Survey of the Health of Wisconsin (SHOW), long-range study of the health status of Wisconsin residents**
- **Wisconsin Health Research Network (WiNHR), research network of statewide healthcare organizations**
- **Focus on health disparities, health status, access to care, and health promotion in underserved populations**

*Wisconsin Partnership
Program*

\$1,343,448

**UW-
Milwaukee**

- **Salary support for new UW-Milwaukee faculty and staff affiliated with the Center for Urban Population Health**
- **Establish the Regional Partnership Network with UW-Milwaukee and CUPH to reduce disparities in cancer care**

***Wisconsin Partnership
Program***

\$299,839

**Center for
Urban
Population
Health**

- **Special initiative to address the health of Milwaukee public school children and to remove health related barriers to learning**
- **Collaborative effort of the Center for Urban Population Health, UW-Milwaukee, and Milwaukee Public Schools**

***Wisconsin Partnership
Program***

\$30,000

**Medical
College of
Wisconsin**

- **The Healthy Wisconsin Leadership Institute, a statewide public health leadership training program**
- **Jointly supported by the UW School of Medicine and Public Health and the Medical College of Wisconsin**
- **Created five community teams; one in Milwaukee to reduce risky sexual behavior among adolescents**

UW School of Medicine and Public Health Collaborations

*UW School of
Medicine and Public Health*

\$124,500

A large, solid gold circle containing the text "United Community Center" in white, sans-serif font, centered within the circle.

United
Community
Center

- **Comprehensive human service organization serving Hispanics in Milwaukee**
- **Support the development of clinical and research programs for Hispanics with Alzheimer's Disease**
- **Educate physicians on treatment and diagnosis of Alzheimer's Disease in the Hispanic population**

*UW School of
Medicine and Public Health*

\$50,000

UW-
Milwaukee

- **Support for feasibility study to explore the creation of a school of public health at UW-Milwaukee**

***UW School of
Medicine and Public Health***

**\$500,000
annually**

**Milwaukee
Clinical
Campus**

- **Essential element of the School's commitment to clinical learning experiences with urban underserved patients**
- **Guided by the recently implemented affiliation agreement between the University and Aurora reaffirming the commitment**

*UW School of
Medicine and Public Health*

\$380,000
annually

Center for
Urban
Population
Health

- **A partnership with Aurora Health Care, UW-Milwaukee, and the UW School of Medicine and Public Health**
- **Focus on improving the health of urban communities through health services research, education and training, and health promotion**

*UW School of
Medicine and Public Health*

\$2,000,000
annually

UW Center
for Tobacco
Research and
Intervention

- **Established an active outreach and research presence at Aurora Sinai for underserved populations**
- **Expanded smoking cessation services to other Milwaukee clinics serving minority communities**
- **Collaborated with a network of minority populations on tobacco control programs**

*UW School of
Medicine and Public Health*

\$200,000
annually

Institute for
Clinical and
Translational
Research

- **Support clinical and population health research infrastructure at Aurora Sinai**
- **Critical component of the School's application for a NIH Clinical and Translational Science Award**
