## Transfer Data for UWC and WTCS Students to UW 4-year Institutions

In 2002, the UW Colleges sent 23% more students to than WTCS ...

Total Transfer Students from UWC = 1,611

Total Transfer Students from WTCS = 1,312

## Transfer Data for UWC and WTCS Students to UW 4-year Institutions

# ... But, WTCS sent more than *twice* as many students of color

Total Transfer SOC from UWC = 65 Total Transfer SOC from WTCS = 159

### **Transfer SOC Experience a "Hump" in Milestone 2**

## Key Findings by System Team

- Too little systematic monitoring and accountability of transfer outcomes for students of color
- Need for a more "transfer-centric" campus culture
- Challenges with technical program articulation with bachelor's programs

## System Team Recommendations

Strengthen transfer accountability reporting

Set intra-system "equity benchmarks" for transfer

Strengthen articulation for technical programs, and initially target those programs serving a critical mass of SOC

Center for Urban Education, University of Southern California

## System Team Recommendations

- Extend transfer process accommodations to WTCS, including waiver of transfer application fee
- Strengthen role and visibility of transfer advocates
- Craft common legislative and public messages about study
