

# Enhancing Undergraduate Research

Kris Andrews

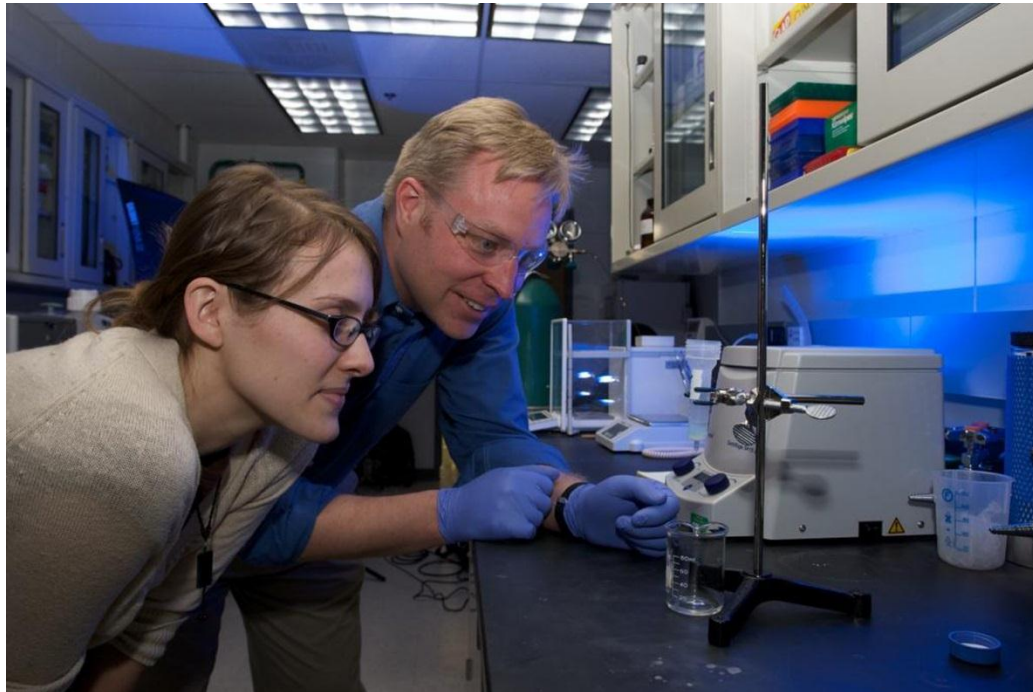

Associate Vice President for Federal & Corporate Relations

REDI Committee

June 5, 2014

# Two Proposed Programs

- Undergraduate Research & Discovery Grants
- Regent Scholar Program

# Background

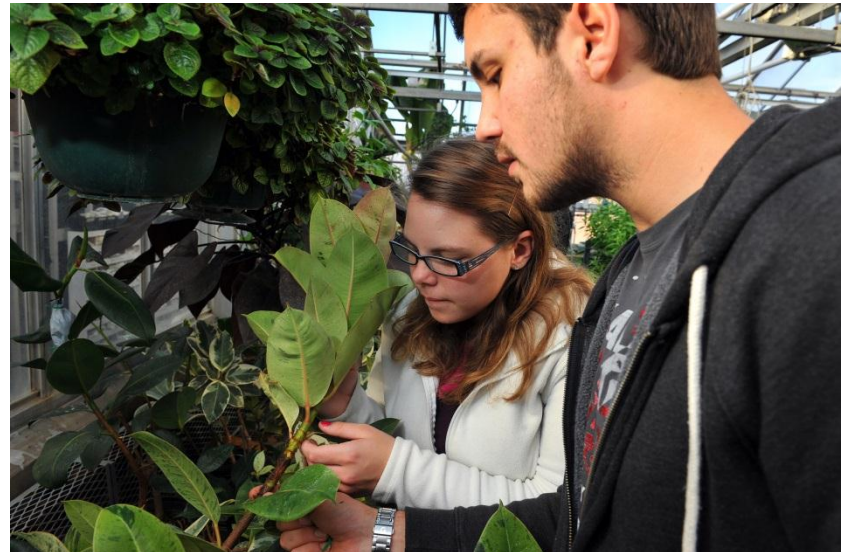

- UW System and campuses wrote proposal for Council on Undergraduate Research
- Campus teams developed engagement plans to institutionalize undergraduate research (UGR)

# Current Challenges

- Resource Scarcity
- Faculty Workload Issues
- Faculty Ability to Conduct Summer Research
- Recognition of Undergraduate Research for Promotion & Tenure

# UG Research & Discovery Grants

- Provide resources for administrators & faculty to:
  - Support UGR expansion
  - Address faculty workload
  - Increase student participation

# Regent Scholar Grants

- Designed to stimulate collaborative research at comprehensive and two-year UW campuses
- Provide summer support for faculty engaging in undergraduate research
- Awardees recognized as “Regent Scholars”

# Questions?
