

Supplemental Insurance Coverages (Delta Dental and DeltaVision) Retirees vs. Continuants

| Delta Dental | | |
|--|---|--|
| | Retiree | Continuant/COBRA |
| How long does coverage last? | Does not Expire | 18 months |
| What action must I take to maintain coverage? | Nothing as long as Delta Dental is the state's supplemental dental carrier. | During the It's Your Choice Open Enrollment Period before your continuation/COBRA expires you must switch coverage to retiree coverage. Failure to do so would lead to your coverage expiring and you being without coverage until January 1st of the year following your coverage expiring. |
| Price? | Higher than Active Employee rate | Same as active Employee rate |
| Can monthly cost come out of my annuity? | No | No |
