

A young boy in a white and yellow shirt is in the foreground, holding a wooden baseball bat over his shoulder. In the background, a man in a light blue shirt and khaki shorts is standing on a grassy field, looking towards the boy. The scene is set outdoors with trees and a bright sky in the background.

# Well Wisconsin: Meet the Team

# UW System Human Resources

**Brianne Jobke (UW System Benefits Program Analyst) and  
Erin Schoonmaker (UW System Benefits Program Manager)**

Liaison for champions and the Well Wisconsin program

Connect champions with resources and materials via the Well Wisconsin Program and UW System ([employee well-being page](#))

Assist with programming, planning and procedure with ETF & the Well Wisconsin Program

Coordinate systemwide quarterly well-being meetings

# UW System Institutions

## Well-being Champions

Communicate and promote institution specific well-being activities and programs, for example:

- Employee Assistance Program (EAP) services and trainings
- Apply for and administer wellness grants funds
- Network with fellow well-being champions
- Wellness Council of WI Conference and Membership

Share and connect employees with resources available via the Well Wisconsin Program, such as the \$150 incentive, Well Wisconsin Radio podcasts, challenges, and the kindness at work calendar.

Incorporate wellness program support for:

- Biometric screenings
- Onsite flu vaccine clinics
- Employer Sponsored Activities

# Dept of Employee Trust Funds

## Molly Dunks (ETF Well-being Program Manager)

Manage the WebMD contract and Well Wisconsin strategy and program offerings

Support employers and members with information via the ETF Well Wisconsin [employer](#) and [member](#) web pages and ETF's [Employer News](#) and [Health and Wellness News](#)

Manage the employer wellness grant program

Support champion training and development opportunities via the Wellness Council of Wisconsin

- Memberships
- Annual conference

# WebMD: Program Management

## Kristi Mulcahey and Renee Fox (WebMD Program Managers)

Coordinate Well Wisconsin Program communications throughout the year.

Provide health and well-being program support for participants:

- Well Wisconsin Radio podcast
- Event support at benefits/well-being fairs

Support champions:

- Help develop employer sponsored activities
- Provide systemwide and institution-level participation and health data reports
- Provide content and communications
- Coordinate Well Wisconsin Program Awards & Kick-off event

# WebMD: Screenings and Flu Vaccine Clinics

Katie Storlie (WebMD Health Services Screening Coordinator)

Contact information:

- [kstorlie@webmd.net](mailto:kstorlie@webmd.net)
- (503) 416-2773

Services provided during onsite biometric screenings:

- Values collected: height, weight, waist, blood pressure, triglycerides, glucose, HDL, LDL, and total cholesterol
- 3–5-minute review of results
- Total appointment time: 15 - 20 minutes

Katie also helps champions coordinate their flu vaccine clinics (excluding UW-Madison).

## WEBMD CUSTOMER SERVICE

A great resource for all employee questions about the Well Wisconsin program

Participants can call or send a message via the contact us page through the Well Wisconsin Program portal.
