| State Group Health Insurance Uniform Dental Insurance | If you, your spouse and/or eligible dependents lose other health insurance coverage (e.g. through their employer), you may be able to enroll in or add your spouse and eligible dependents to your health insurance plan (with or without Uniform Dental).  
To make a change, you must complete a Health Insurance Enrollment/Change Form (ET-2301) within 30 days from the loss of coverage and submit it to your human resources office.  
The Department of Employee Trust Funds (ETF), the administrator of the State Group Health Insurance Program, will provide updates on State Group Health Insurance benefits and coverage related to the COVID-19 pandemic as the situation continues to develop.  
- If you and/or your dependent is showing symptoms of COVID-19, contact your health care provider or use telehealth to discuss your symptoms.  
- The Families First Coronavirus Response Act requires all group health insurance plans to cover testing and any services/supplies provided as part of testing at no cost.  
- If you have a High Deductible Health Plan (HDHP), you will also receive testing at no cost following the guidance provided by the IRS.  
If you are enrolled in Uniform Dental Insurance and are experiencing dental pain, contact your dentist to see if they can provide a remote exam. This is a teledentistry service that allows your dentist to evaluate your dental problems remotely. Delta Dental will cover teledentistry at 100%; however, any follow-up care will fall under the dental plan benefits. |
| Well Wisconsin Program (applicable if enrolled in the State Group Health Insurance Program) | The Well Wisconsin Program allows you and your spouse to earn an annual $150 incentive. To earn this incentive, you and your spouse must complete a health screening, health assessment and one StayWell well-being activity (by mid-October).  
**Health Assessment:** Captures current health behaviors through a short questionnaire focusing on stress, sleep, nutrition and physical activity.  
**Well-Being Activity:** Helps with overall health and well-being (examples: Sleep Well Challenge, Health Coaching, Million Steps Challenge, 21 Day Meditation Experience or the Daily Dash). |
## Benefits during the COVID-19 Pandemic

**Health Screening:** Provides a picture of your overall health; includes measurements for blood pressure, body mass index, cholesterol, triglycerides & glucose. *Screenings for the next few weeks have been cancelled. In the meantime, focus on completing the other requirements.*

**Supplemental and Preventive Dental Insurance**
If you, your spouse and/or eligible dependents lose other dental insurance coverage (e.g. through their employer), you may be able to enroll in or add your spouse and/or eligible dependents to your supplemental or preventive dental insurance plan.

To do so, you must complete a [Dental Insurance Enrollment/Change Form](#) within 30 days from the loss of coverage and submit it to your human resources office.

If you are enrolled in Preventive Dental Insurance and are experiencing dental pain, contact your dentist to see if they can provide a remote exam. This is a teledentistry service that allows your dentist to evaluate your dental problems remotely. Delta Dental will cover teledentistry at 100%; however, any follow-up care will fall under the dental plan benefits.

**Vision Insurance**
If you, your spouse and/or eligible dependents lose other vision insurance coverage (e.g. through their employer), you may be able to enroll in or add your spouse and eligible dependents to your vision insurance plan.

To do so, you must complete a [Vision Insurance Enrollment/Change Form](#) within 30 days from the loss of coverage and submit it to your human resources office.

**State Group Life Insurance**
If you did not enroll in coverage when first eligible, you may apply for coverage within 30 days of a qualifying life event or at any time through evidence of insurability. To apply through evidence of insurability, complete the [State Group Life Evidence of Insurability Application Form (ET-2305)](#) and submit it to Securian Financial.

State Group Life insurance death benefits are payable if a covered person dies due to COVID-19.

**Individual & Family Life Insurance**
If you did not enroll in coverage when first eligible, you may apply at any time through evidence of insurability. To apply, complete the [Individual & Family Life Insurance Evidence of Insurability Form](#) and submit it to Securian Financial. If you are currently enrolled in the plan you may be able to make changes within 30 days of a qualifying life event.

Individual & Family Life insurance death benefits are payable if a covered person dies due to COVID-19.

**UW Employees, Inc. Life Insurance**
If you did not enroll in coverage when first eligible, you may apply at any time through evidence of insurability. To apply, complete an [UW Employees, Inc. Life Insurance Evidence of Insurability Form](#) and submit it to Securian Financial.

UW Employees, Inc. Life insurance death benefits are payable if you are covered and die due to COVID-19.

**University Insurance Association (UIA) Life Insurance (Faculty, Academic Staff or Limited employees only)**
Each October 1st you are automatically enrolled in UIA coverage if you meet the eligibility requirements. Coverage ends the September 30th following the date you do not meet the eligibility requirements or the date your employment ends.

UIA Life Insurance death benefits are payable if you are covered and die due to COVID-19.

| **Flexible Spending Account** (Health Care FSA and Dependent Day Care Account) | You may be able to change your FSA contribution if you experience a qualifying life event per IRS regulations. Examples of qualifying life events are marriage, divorce, birth or adoption of a child, a change to your employment status (leave of absence, retirement or termination), a change to your place of residence, or a change to the cost charged by your dependent daycare provider. Review the [Participant Reference Manual](#) (pages 39-45) for details regarding the changes allowed for each qualifying life event.  

*Note: The TASC Participant Reference Manual should continue to be referenced until the ConnectYourCare (CYC) Reference Manual is provided mid/late 2020. However, CYC should be contacted with questions (as opposed to TASC as the TASC manual indicates).*  

To make a change you must complete the [CYC Election Change Form](#) or [CYC Enrollment Form](#) within 30 days from the qualified life event change and submit it to your human resources office.  

Per the [Coronavirus Aid, Relief and Economic Security Act (CARES Act)](#), additional expenses are now considered “eligible FSA expenses” as of January 1, 2020 (e.g. over-the-counter drugs and medicines not prescribed by a physician as well as menstrual care products). |
| **Health Savings Account (HSA)** (applicable if enrolled in a High Deductible Health Plan) | You may change your HSA contribution at any time throughout the calendar year. A qualifying life event is not necessary to change your HSA contribution. To change your contribution, complete the [CYC Election Change Form](#) and submit it to your human resources office.

| COVID-19 Leave | Up to 272 hours of COVID-19 leave (prorated by % FTE) may be available if you are unable to perform your assigned duties from March 17, 2020 through May 1, 2020. This includes, but is not limited to:  
- Inability to work remotely  
- Diagnosis of COVID-19  
- Experiencing symptoms of COVID-19 and seeking a diagnosis  
- Care of an immediate family member who has been diagnosed or is experiencing symptoms of COVID-19  
- Inability to work because of child/elder care responsibilities due to school or day care closings.  
For more information see [UW System Administrative Policy 1200-Interim 02, Interim: COVID-19 Leave Policy](https://myuw.wisc.edu). |
| Family Medical Leave | The Family and Medical Leave Act (FMLA) is expanded to provide up to 12 weeks of paid family and medical leave for a qualifying need related to a public health emergency. In addition, leave taken under the public health emergency is available to you if you have worked in the 30 days |

The Coronavirus Aid, Relief and Economic Security Act (CARES Act), includes provisions related to retirement plans that offer both financial relief and flexibility to plan participants. For information on the provisions that the TSA Program has adopted [click here](https://myuw.wisc.edu).
prior to taking leave. If your appointment has ended because there is no work to perform, you are not eligible for the expanded FMLA leave.

A qualifying need related to a public health emergency means you are unable to work (or telework) due to a need for leave to care for the son or daughter under 18 years of age if the school or place of care has been closed, or the childcare provider is unavailable due to a public health emergency.

The total time available for any combination of FMLA leave and Public Health Emergency Leave is twelve (12) weeks.
