Conversion to Individual Whole Life Insurance Policy

How you can keep your life insurance going...

even if your group coverage ends.

If any portion of your group life insurance coverage terminates (because your employment or membership in a class eligible for insurance terminates or the master group contract terminates or is amended), you may be able to continue your life insurance protection. Your right to do this is called a conversion privilege, and its features are described here for you.

In order to exercise your conversion privilege, you must—within 31 days after your group insurance ends—submit the conversion enrollment form attached and the first premium payment. Your conversion rights are subject to the master contract under which you are insured.

How can I continue my life insurance protection when my group coverage terminates?

You can continue your protection by taking out an individual life insurance policy. You do not have to prove that you are insurable, but you must submit your enrollment form and first premium payment within 31 days after your group coverage ends.

What about my family's insurance?

If your group coverage includes life insurance on your dependents, you may be able to continue their protection under individual policies. Check your certificate to make sure they qualify.

What about temporary layoffs?

It's not usually necessary to enroll for conversion if you are laid off temporarily. You can usually make arrangements with your employer to keep your group insurance in force.

What if the master group contract terminates or is amended?

Depending upon applicable state law and the terms of the master group contract, you may be eligible to convert all or a portion of your group life insurance.

How much insurance can I get?

If your coverage terminates for any reason other than cancellation or amendment of the master contract, you can convert all or any portion of your group insurance. If your master group contract terminates or is amended and you are eligible to convert, the amount you are eligible to convert will depend on applicable state law and the terms of the master group contract. Call our toll-free number for details.

What if I die before I have a chance to convert my insurance?

If you die during the 31-day conversion period, your beneficiary will receive the full amount of your group insurance that was available for conversion—whether or not you enrolled to continue your coverage. Any premium paid for a new policy will be refunded.

What kind of policy will be issued?

You will be issued a whole life insurance policy known as Individual Whole Life Insurance Policy.

Individual Whole Life Insurance Policy features:

- Premiums are payable until death.
- Face amount of insurance payable at death.
- Living benefit builds cash value.
- Premium amount remains the same (based on your age at time of conversion).

Automatic premium loan

Should you fail to make a premium payment before the end of the grace period we will make a policy loan to pay the balance of the premium. Please indicate on the enrollment form if you want the premium loan to be operative.

How much will it cost?

Your premiums will be at regular rates in use at the time your new policy is issued, depending on your age at the time you convert. Use the rates shown in this brochure to determine your initial premium. Rates are subject to change.

How do I determine my new premium?

- 1. The effective date of your new policy will usually be 31 days from the date your group coverage terminates. Your issue age is your current age.
- 2. Find the annual premium rate per \$1,000 for your age in the rate table.
- 3. Multiply the rate by the amount of insurance you are requesting.
- 4. Add the annual policy charge of \$40.00.

Can I pay more often than once a year?

You may make premium payments quarterly or semiannually if each payment is at least \$10. To determine a semiannual premium, multiply your annual premium by 0.50. To determine a quarterly premium, multiply the annual premium by 0.25. You must initially pay a quarterly premium payment to establish your individual life contract. After that, you may choose to pay your premiums monthly using an automatic EFT option AFTER your individual life policy has been established. See the examples provided.

Here are examples to help you determine your new premium. Please complete the column below.

If you want to convert your dependents' insurance, complete a separate enrollment form for each individual. Sign the enrollment form as "Employee," and have your dependent (if legally old enough to sign) sign as "Person Converting."
