Dear Participant,

With WEA Trust announcing that it will be exiting the health insurance market at the end of 2022, you will need to select a different health plan during the It’s Your Choice open enrollment period, which runs from Monday, September 26, 2022, to Friday, October 21, 2022.

Mayo Clinic Health System is your current provider network. When you review your open enrollment options, we at Mayo Clinic Health System ask you to consider making the selection that retains access to our system for your health care. We are honored that you have chosen us in the past and wish to continue to earn that trust going forward.

We are pleased to let you know that the health plan that will offer access to your familiar doctors and clinics of Mayo Clinic Health System, at the Tier One premium and benefit levels, is Prevea360 West and Mayo Clinic Health System. Together we are committed to delivering high-quality care and service to our shared members and patients.

To learn more about Prevea360 Health Plan, visit prevea360.com/wi-employees. Enrolling in the Prevea360 West and Mayo Clinic Health System plan will ensure a smooth transition without interruption in coverage or service.

Sincerely,
