Frequency of Pay

• Paid on an hourly basis
• Paid every other Thursday for prior two-week pay period
• Earnings statement available online at https://my.wisconsin.edu. UW-Madison employees go to https://my.wisc.edu.
How Do I Pay for Benefits?

• Benefit plans’ premiums:
  https://www.wisconsin.edu/ohrwd/benefits/premiums/

• Premiums taken via payroll deduction

• Most benefit plan premiums are paid in advance of coverage. There may be multiple deductions from first check.
Paid Leave

• University Staff, except those in a temporary appointment, are eligible to earn the following paid leave:
  
  Legal Holidays
  Personal Holiday
  Vacation
  Sick Leave

• Vacation and Personal Holiday hours are granted on hire date and every January 1st thereafter

Act

Complete your elections within 30 days of your eligibility date.

• Most employees can enroll online through Self Service (eBenefits) – you will be notified if eligible or contact your human resources office.
  – Log in to Self Service through your MyUW portal at https://my.wisconsin.edu (Benefit Information module).
Act

• You must enroll using paper applications if you:
  – Have prior WRS service
  – Are applying for the Health Insurance Opt-Out Incentive

• Enroll in Self Service or return applications to your human resources office within 30 days of eligibility.

• Benefits are generally effective on the 1st of the month on or following your eligibility date if your application is submitted within 30 days.

• Access paper benefit applications:

ELIGIBLE DEPENDENTS
Eligible Dependents

• The majority of benefit plans available to UW employees provide coverage for eligible family members. This includes your:

  – Your spouse
  – Dependent children – for most plans, until age 26. Includes stepchildren, adopted children and pre-adoption placement, legal wards the become your permanent ward before age 26 and grandchildren until your insured child (the grandchild’s parent) turns age 18.

• See Dependent Eligibility Chart at https://www.wisconsin.edu/ohrwd/benefits/download/med/uws25.pdf

Note: A child with a disability of long standing duration, who is dependent on you or the other parent for at least 50% of support and maintenance, and are incapable of self-support, may remain covered past age 26.
Life Events Impact Benefits

- Contact your human resources office within 30 days of a Life Event. You only have 30 days following a life event to change/enroll in the majority of benefits. A life event may be either a family or employment change.

Examples of Family Changes:
- Marriage or divorce
- Birth, adoption, guardianship of a child (60 days to enroll)
- Permanent Relocation
- Spouse or dependent child death

Examples of Employment Status Changes
- Termination of employment
- Disability
- Change in employment status

You will need to complete two months of service prior to being eligible for the *employer contribution* towards health insurance.

If you would like State Group Health prior to being eligible for the employer contribution, you may enroll, however, you will pay *100% of the total premium* until you have two months of WRS State / UW System service.

State Group Health Insurance

Plan Design/Out of Pocket Costs

STEP 1. CHOOSE A HEALTH PLAN DESIGN*
STEP 2. FIND INSURERS IN YOUR AREA
STEP 3. CHOOSE A HEALTH PLAN or OPT-OUT INCENTIVE (if eligible)

*Most employees elect the Health Plan or High Deductible Health Plan (HDHP) plan designs
State Group Health Insurance

Step 1: Choose Plan Design

What is Health Plan Design?

- There are four plan designs offered. See Plan Comparison at https://www.wisconsin.edu/ohrwd/benefits/med/sgh/compare-medical/

- Compare costs as well as provider networks

- Health Plans and HDHPs: Regional coverage; select the health insurer (carrier) you want (out-of-network coverage ONLY for emergency services and urgent care)

- Access Plan and Access HDHP: Higher premiums; nationwide PPO network through WEA

- All insurers offer Uniform Benefits

- All plan designs include prescription drug coverage and optional basic dental coverage

*Graduate Assistants/Short-Term Academic Staff are NOT eligible for the HDHP or Access HDHP options.
State Group Health Insurance
Step 2: Find Insurers in Your Area

The Health Plan and HDHP plan design options have many health insurers available throughout Wisconsin (Options by County). Use an interactive map that shows health plan availability by county:

Click on the county to view the health plans offered and their major provider systems. Click on the health plan’s name to link to their provider directories.

Health Plan and HDHP plan designs:
Out-of-network coverage ONLY for emergency services and urgent care.
State Group Health Insurance

Step 3: Choose A Plan

• Select a health plan based on:
  – Employee Premium Contributions
  – Annual Out-of-Pocket Costs
  – Location
  – Provider Networks

Note: Regardless of the plan design you select, routine preventive and wellness medical services are typically covered at 100%, even if you have not met the deductible. A list of preventive care services, as identified by the Patient Protection and Affordable Care Act, can be found at https://www.healthcare.gov/coverage/preventive-care-benefits/
Common Health Insurance Terms

Coinsurance – A *share* of the costs you pay for a covered health care service calculated as a percentage.

- **10%** for Health Plans, HDHP and In-Network Access Plan and Access HDHP

- **20%** applies to covered *durable and disposable medical equipment*, certain hearing aids and cochlear implants

- **30%** for Out-of-Network Access Plan and Access HDHP

  • *Deductible* must be met before *coinsurance* applies
Common Health Insurance Terms

Copayment (Copay) – A fixed amount you pay for a covered health care service. Paid until annual Out-of-Pocket Limit (OOPL) has been met

Health Plan Office Visit Copays – In-Network

$15.00 Primary Care Physician and Therapy

$25.00 Specialty Services and Urgent Care Services

$75.00 Emergency Room

For the HDHP or Access HDHP, you must meet your deductible before copays begin.
**Common Health Insurance Terms**

**Deductible** – The amount you owe for health care services **BEFORE** your plan begins to pay. Preventive care is not subject to the deductible nor are office visits under the Health Plan and Access Plan. Other services received during an office visit (e.g., labs, x-rays) are subject to the deductible.

$^1$Under a Health Plan / Access Plan, after an individual within a family plan meets the single deductible, medical services will be covered for that individual

$^2$Under the HDHP/Access HDHP, the full family deductible must be met before any medical services are covered
Common Health Insurance Terms

**Maximum Out-of-Pocket Limit** - Set annually by the Federal law, the MOOP is the most you would have to pay in a calendar year before benefits are payable at 100% for costs that are not limited to the OOPL. This includes your costs for Level 3 prescription drugs, hearing aids or cochlear implants for adults and some other expenses that do not accumulate toward “regular” OOPL.

The HDHP plan design does not have a MOOP, meaning that there is no point during the year where you reach a maximum out-of-pocket limit. Exceeding the MOOP under any plan design is not typical.

**Out of Pocket Limit (OOPL)** - the most you'll typically have to pay during a policy period. Once you reach this limit, your plan pays 100% of the allowed amount for covered services (i.e., coinsurance and copayments no longer apply for health care received in that calendar year):

*Level 3 Prescription Drugs are subject to maximum out-of-pocket costs of $6,850/single; $13,700 family*
Is the HDHP/HSA Right for You?

HDHP/HSA Considerations:

- Higher out-of-pocket costs, and lower monthly premiums
- The HSA provides employees a way to set aside pre-tax monies that can earn interest
- The UW System will contribute up to $750 for single or $1,500 for family coverage to your HSA in 2018. The UW System’s HSA contribution is pro-rated. An equal portion is deposited to your account in each payroll period (A & B payrolls only).
Is the HDHP/HSA Right for You?

• Before enrolling for an HDHP, be sure you understand that you are financially responsible for all non-preventive medical expenses you incur, including prescriptions, until you reach the annual deductible.

• For example, if you’re in an HDHP, you have a $3,000 family deductible. You’ll have to pay $3,000 in non-preventive medical costs (including prescriptions) out of your own pocket before your insurance starts to pay benefits.

• In order to enroll in an HDHP and an HSA, you must be eligible for both plans. If you enroll in an HDHP, you are required to enroll in a Health Savings Account (HSA).
To learn more about whether an HDHP is right for you, we suggest that you review the following resources:

• The Plan Design Options eLearning video, provided by the Department of Employee Trust Funds at http://www.etf.wi.gov/videos/plan_design_options.htm

• An HDHP Questionnaire to see whether an HDHP is suitable for you https://uwsystemadmin.qualtrics.com/jfe/form/SV_02OKSAyoAiiZpC5

*Additional $1,000 “catch-up if you will be 55+ years of age during plan year

- Employees may make changes to their HSA contributions at any time. No qualifying event needed
- **If not HSA-eligible for all 12 months of the calendar year, may not be able to contribute full amount listed here**
- If you work part-time, the HSA employer contribution will reduced by 50%.
HDHP/HSA Eligibility

• HDHP Eligibility:
  – Must be covered under the Wisconsin Retirement System
  – Must be eligible for HSA

• HSA Eligibility:
  – Must be enrolled in an HDHP
  – Cannot be enrolled in Medicare or TRICARE, or another health plan that is not considered an HDHP.
  – Cannot be enrolled in, or be a covered dependent under a health care FSA (such as spouse or parent)
  – Cannot be a dependent person of another person for tax purposes

Must be eligible for BOTH the HDHP and HSA in order to enroll in the HDHP or Access HDHP plan
State Group Health - COB

- Employees who enroll in State Group Health Insurance must provide Coordination of Benefits (COB) information.
  - COB information must be provided when you enroll or as other coverage for a spouse is added or ended after your enrollment.
  - If you elect an HDHP and you do not provide the required COB information during your enrollment period, you will be defaulted to the non-HDHP offered by the health plan you elected.
STATE GROUP HEALTH INSURANCE

OPT-OUT

INCENTIVE

☐ Opt-in

☒ Opt-out
Health Insurance Opt-Out

- $2,000 Opt-Out Incentive is available in 2018 (pro-rated for new hires)
- Must complete a PAPER application
- Paid monthly throughout the year
- Incentive is considered taxable
- For Eligibility Requirements see at https://www.wisconsin.edu/ohrwd/benefits/health/#HealthInsuranceOpt-OutIncentive
Considerations:

**Health Insurance Opt-Out Incentive**

- **Impact on Sick Leave Credits.** Upon retirement or death while an employee, unused sick leave is converted into credits to pay for health insurance for you or your surviving spouse/dependents but you must be covered under the State Health Insurance program. If you opt out, your unused sick leave credits have no value until/ unless you re-enroll in the future.

- **Re-enrolling in health insurance.** You may re-enroll during the year if you have a qualifying event (such as marriage, birth of a child, loss of other coverage). The Opt-Out Incentive will be pro-rated and ends when you have re-enrolled.

- **Enrollment in Other Benefit Plans.** If you opt out of health insurance, you are also opting out of Uniform Dental. You may still elect the supplemental dental and vision insurance plans.

- **Affordable Care Act (ACA).** The ACA requires most Americans to have health insurance or pay an annual penalty. If you opt out and do not have coverage through a spouse or parent, you may be subject to a fine when you file your federal income taxes.
Prescription Drug Overview

- Your cost for prescriptions will depend on:
  - The plan design you select; and
  - The level of the drug under the formulary

- You pay a copay or coinsurance per fill (30 day supply) as outlined in the formulary

- You pay either a copayment or coinsurance, up to annual out-of-pocket maximum (OOPL)

- The information on the following two slides pertain to the Health Plan Design.

Health Care FSA/Limited Purpose FSA

• Plan year is 1-1-2018 to 12-31-2018
• Claims must be submitted by end of March following the plan year
• If you have any money left in your account at the end of the plan year, up to $500 will carry over into the next plan year.

  Note: This does not apply to the Dependent Day Care FSA – use it or lose it!
• Review the FSA Participant Guide for more details
Flexible Spending Accounts – How to Enroll

• You may enroll within 30 days of the start of your first benefits-eligible appointment. Coverage is effective on the first of the month on or following your eligibility date.

• Only expenses incurred on or after your coverage effective date are eligible for reimbursement.

• Be cautious about how much you decide to contribute as you cannot make changes during the year unless you have a life event.

• You generally have 30 days from the date of a life event to enroll, cancel or change your election. You should contact your human resources office as soon as a life event occurs.
LIFE INSURANCE
Life Insurance

• Four optional life insurance plans are available. You may enroll in more than one plan.
  – State Group Life Insurance
  – Individual and Family Life Insurance
  – UW Employees, Inc. Life Insurance
  – Accidental Death and Dismemberment (may enroll at any time without restriction)

• If you do not enroll when first eligible, you may enroll at a later time through evidence of insurability (acceptance not guaranteed) or if you have an eligible life event

• Compare Plan Features at https://www.wisconsin.edu/ohrwd/benefits/download/life/lifecomp.pdf

Life Insurance and WRS
Beneficiary Designations

- A beneficiary is a person(s) or any legal entity such as an estate or trust, that you specifically name to receive benefits payable upon death (WRS account, life insurance, value of tax deferred retirement savings account…)

- Most beneficiary designations available online: https://www.wisconsin.edu/ohrwd/formspubs/

- Each benefit plan has a separate beneficiary designation. Exception – State Group Life and WRS use the same form.

- Mail beneficiary designations directly to the address listed on the form

- If you do not file designation, benefits will be payable per Standard Sequence, per the plan contract

- It is important to keep your beneficiary designations up-to-date. Always review your designations and update as necessary when you have a life event (birth, death, divorce, marriage, etc.).
Income Continuation Insurance (ICI)

- Provides up to 75% of gross base wages as replacement income if you are unable to work due to illness or disability.

- Initial enrollment period – within 30 days of WRS eligibility date (usually your hire date).

- Coverage is effective on the first day of the month on or after your date of employment or your newly benefits-eligible job.

- Must submit an application to either elect or decline coverage.
Income Continuation Insurance (ICI)

• Premium is based on monthly gross salary and sick leave balance
  – Standard ICI Premiums - covers earnings up to $64,000
  – Supplemental ICI Premiums - covers earnings from $64,001 to $120,000
  – Premiums: [https://www.wisconsin.edu/ohrwd/benefits/premiums/](https://www.wisconsin.edu/ohrwd/benefits/premiums/)

• ICI benefits begin the later of 30 calendar days or the use of all of your sick leave, up to 1040 hours (130 days).
Wisconsin Retirement System (WRS)

• Designed to provide you a retirement annuity (pension) once you reach retirement age and are vested

• Administered by the Department of Employee Trust Funds (ETF)

• Participation is automatic for all eligible employees, with coverage beginning on the first day an employee is eligible.

• Participation in the WRS is required for some benefit plans.

• Prior WRS service may impact benefit application deadlines, WRS eligibility and vesting.

• More details later in presentation under Retirement Information
Retirement
Wisconsin Retirement System (WRS)
Eligibility

If you are first covered by the WRS on or after July 1, 2011:
You are eligible for the WRS if you are expected to work both one year and 1200 hours (58%)

If you have WRS creditable service prior to July 1, 2011:
You are eligible for the WRS if you expected to work both one year and 600 hours (29%)

Once WRS eligibility requirements are met (or expected to be met), participation in the WRS is mandatory.

| **6.7% of salary**
Deductions taken on a pre-tax basis for state and federal tax purposes.  
WRS contributions subject to IRS limits – employees and UW pay WRS contributions on first $275,000 in earnings in 2018. | **6.7% of salary**
The UW also contributes 1.3% of salary to fund retiree health insurance credits. |
Retirement

WRS Investment Options

• Two investment funds
  – Core Fund: 50% stocks, 50% fixed income and other assets (subject to change)
  – Variable Fund: 100% stocks
  – Information about WRS investments: https://www.wisconsin.edu/ohrwd/benefits/ret/ and http://www.swib.state.wi.us/

• If you do nothing, all contributions are invested in Core Fund.

• You can file a Variable Fund election to invest half of contributions to Variable Fund.
WRS

Retirement Benefits

• Provides a retirement annuity (pension) once you reach retirement age and are vested.

• There are two methods of calculating retirement benefits: the formula and money purchase methods. If eligible, you are entitled to the higher of the two amounts.

• Vesting
  – If first covered by the WRS on or after July 1, 2011, fully vested after 5 years of WRS service
  – If you have WRS service prior to July 1, 2011, immediately vested

• Minimum retirement age is 55 - normal retirement age is 65

• Investments managed by the State of Wisconsin Investment Board (SWIB)
WRS

Non-Retirement Benefits

If you leave employment before minimum retirement age or before you are vested, you can leave your money in the WRS to accumulate interest.

- **Separation benefit** – Available if you end WRS employment before minimum retirement age or after retirement age if not vested. Benefit paid equals employee contributions plus accumulated interest (not eligible to receive employer contributions).

- **Disability benefits** – If you become permanently disabled and unable to work, you may be eligible for a WRS disability annuity (minimum service requirements apply).

- **Death benefits** – If death occurs while actively employed, full value of WRS account is payable upon death.

- For more information about all WRS related benefits, visit ETF’s website: [http://www.etf.wi.gov/](http://www.etf.wi.gov/)
