

UW System Employee Benefits Quick Guide

This guide highlights your benefits package. Resources and links are provided at the end of this guide.

Health Insurance (includes pharmacy benefits; Uniform Dental is optional)

If you are eligible for the Wisconsin Retirement System (WRS) benefits package, you are eligible for the State Group Health Insurance Program with or without Uniform Dental. You are eligible for the full employer contribution to the premium the first day of the month on/following the completion of two months of state WRS service. If you work less than 50%, you pay 50% of the total premium.

The High Deductible Health Plan (HDHP) includes a Health Savings Account (HSA) with an employer contribution (up to \$750 single or \$1,500 family). The Access Plans provide out-of-network coverage.
