You may enroll, change your contribution amount, or cancel your contribution at any time. There is no minimum contribution amount. Participation is voluntary. These programs do not have an employer contribution. IRS annual contribution limits apply.

**UW 403(B) SUPPLEMENTAL RETIREMENT PROGRAM (SRP)**
Investment options include a wide array of mutual funds. Fixed annuity fund options are available. A quarterly fee may apply depending on the value of the account.

**WISCONSIN DEFERRED COMPENSATION (WDC) 457 PROGRAM**
Investment options include a wide array of lifecycle funds, mutual funds, commingled trust options, a stable value option and a FDIC-insured bank option. A monthly fee may apply depending on the value of the account.

*Fellows, Scholars, Trainees, Graduate Interns/Trainees and Post-Doctoral Fellow/Trainees do not receive wages and are not eligible.

Paid Time Off

This benefit package includes paid time off (for example: vacation, sick) for short-term academic staff employees that are expected to work at least 440 hours for at least one year.

Work/Life Benefits

**EMPLOYEE ASSISTANCE PROGRAM (EAP)***
Provides confidential resources at no cost to you and members of your household. The EAP may help with personal/work-related concerns, legal/financial situations, and work-life balance.  
*Graduate Assistants are not eligible for the EAP. Similar services may be available through your institution's student health services.

**WELL WISCONSIN PROGRAM**
If you are enrolled in State Group Health Insurance, you (and your spouse, if enrolled) are eligible to participate. You (and your spouse, if enrolled) may earn a $150 incentive by completing a health assessment, health check, and one well-being activity. Other resources are also available to help you achieve your well-being goals.

**529 COLLEGE SAVINGS PLAN**
Allows you to save for educational expenses. Funds can cover tuition, books, room and board, computers, and other expenses. The program allows you to do so directly from your paycheck.
Benefits Enrollment and Effective Dates

You will have **30 days to enroll** in most benefits. Most benefits are effective the first of the month on or following your benefits eligibility date and will remain in place for the entire calendar year.

Your institution benefits contact may provide you with an **enrollment deadline worksheet**. The worksheet specifies your job type, the effective date for each benefit plan, and the 30-day enrollment period in which you must make your elections.
