

GREENSKEEPER TITLE DEFINITION

I. DEFINITIONS

GREENSKEEPER

This is responsible and specialized work related to golf course maintenance. Positions allocated to this classification coordinate a golf course maintenance program and oversee and participate in maintenance activities. Work is performed under the general supervision of a Grounds Supervisor.

Examples of work performed:

- Determine golf course maintenance and improvement priorities in cooperation with supervisor.
- Determine watering, aerification, and topdressing requirements.
- Identify turf and soil diseases.
- Oversee and participate in the application of fertilizers, pesticides, insecticides, herbicides, and fungicides.
- Oversee and participate in the mowing, watering, and maintenance of greens, tees, fairways, roughs, sand traps, and related golf course areas.
- Maintain woody plants and trees on gold course.
- Inspect the course on a regular basis and make reports.
- Prepare and recommend annual golf course maintenance budget.
- Recommend purchase of equipment, supplies, and materials.
- Assign, monitor, and review the work of assigned employees
- Maintain effective working relationship with golf professionals and other golf course personnel.
- Practice golf etiquette when scheduling golf course maintenance.
- Use and operate a variety of equipment, such as riding and push mowers, manual and automated irrigation systems, thatchers, chemical sprayers, fertilizer spreaders, sod cutters, tractors, front-end loaders, and dump and pickup trucks.
- Assure safe operation and use of equipment and tools.
- Inspect, clean, and perform routine maintenance on equipment, tools, and gold course structures.
- Assist grounds keeping staff or other workers, as needed.
- Perform other duties as assigned by supervisor.
