LIVE PRESENTATION

Saving for Higher Education with a 529 College Savings Plan

THURSDAY, MAY 29 • 11 AM-12 PM

As college costs continue to rise, saving as much as you can before your loved one graduates high school can make a big difference in their financial future.

Join the State of Wisconsin College Savings Program for a presentation that will cover what 529 College Savings Plans are, how they work, and the many benefits of saving for higher education expenses with Edvest 529, Wisconsin's direct-sold college savings plan.
