RE: Nominations for the 2017-18 Wisconsin Teaching Fellows and Scholars Program

I am pleased to announce the call for nominations for the Wisconsin Teaching Fellows and Scholars (WTF&S) Program for 2017-18.

The WTF&S program offers UW faculty and teaching academic staff a unique opportunity to collaborate with other exceptional teachers from across the UW System and from various disciplines. Many participants have found that the experience reenergized their work and even transformed their approach to teaching and learning. Collaboration with colleagues from diverse perspectives lies at the heart of the program. In addition to discussing illuminating works from pedagogical literature, Fellows and Scholars are guided through the process of completing a Scholarship of Teaching and Learning (SoTL) project with input from fellow participants and the program co-directors.

Through these programs we intend to assist faculty and teaching academic staff with their goals of becoming highly effective and successful educators. Our goals for this program include attracting a diverse group of participants. Anything that you can do to ensure that we have a diverse group of applicants will be greatly appreciated.

Please see the attached materials that provide additional information. **The deadline for the**

submission of the application materials is November 14, 2016. Please submit the materials to afgp@uwsa.edu.

Please direct questions to Cyndi Kernahan at Cynthia.kernahan@uwrf.edu or David Voelker at voelker@uwgb.edu or afgp@uwsa.edu.
