GPC BIDDING REQUIREMENTS

GPC Invitation to Bid
REVISE page A-2 lines 18 thru 22 to read as follows:

In general, the work consists of demolishing, removing, and replacing five existing pedestrian bridges on the UWGB campus within the Cofrin Arboretum. Three bridges are to be demolished and replaced with new pre-assembled structures, and the other two bridges are to be razed and not replaced. The work includes demolition and removal of existing structures, installing helical piles, grading, placing riprap, erosion control, and restoration.
