Selection Process for System President, Chancellors, Vice Chancellors and UW System Senior Leadership Positions

Scope

This policy sets forth the protocol the Board of Regents has determined shall be followed for the selection of University of Wisconsin System senior leadership positions: chancellors of UW institutions, vice chancellors of UW institutions, UW System Senior Vice Presidents, Vice Presidents, the General Counsel, and the Chief Audit Executive, as well as interim appointees to these positions and the UW System President position.

Purpose

The purpose of this policy is to implement s. 36.09(1)(e), Wis. Stats., authorizing the Board of Regents to appoint a president of the UW System, a chancellor for each UW institution, and other UW System leadership positions. This policy defines the roles and responsibilities of the Board of Regents and the System President, and the committees they appoint, when filling leadership positions in UW System Administration and at UW institutions.

Policy Statement

The University of Wisconsin System Board of Regents considers the selection of the System President and UW institutional Chancellors to be among its most important duties and maintains a strong commitment to the principles of inclusivity and consultation with institutional and community representatives. To ensure effective leadership of the University of Wisconsin System, the following protocols are to be used:

UW System President:

When a vacancy occurs or is imminent, the Regent President shall consult with the Regent Vice President and other members of the Executive Committee of the Board of Regents to determine the process the Board will use in selecting a new System President.

Chancellors:

1. SPECIAL REGENT COMMITTEE COMPOSITION:

When a vacancy occurs or is imminent, the Regent President shall designate a Special Regent Committee consisting of not less than at least three nor more than five Regents to be involved
in the selection process for a replacement. The Regent President shall designate a chairperson of the Special Regent Committee.

2. CHANCELLOR QUALIFICATIONS:

The Special Regent Committee shall confer with the UW System President and advise the System President of any special qualifications for the position that it believes should be considered. Members of the Special Regent Committee are encouraged to visit the UW institution and meet with students, faculty, staff, and other members of the campus community to familiarize themselves with the unique characteristics and needs of the institution. The Special Regent Committee shall work with the System President to produce a brief job description, taking into account the special characteristics of the institution at which the Chancellor would serve. The job description shall be inclusive and encourage applicants from various professional backgrounds and not require candidates for chancellor to have a terminal degree or the academic experience to be awarded tenure at the institution.

3. SEARCH AND SCREEN COMMITTEE COMPOSITION:

The Search and Screen Committee shall be comprised of ten members, to include five Regents and five individuals knowledgeable of the duties and responsibilities of the position and broadly representative of the interests of the students, faculty, academic staff, university staff, administrators, community and friends of the institution and the interests of the UW System. The Regent President shall appoint at least three Regents to the Search and Screen Committee, and designate one of the Regents as chair.

The System President, in consultation with the Regent President, and after consulting with members of the institution’s governance groups and other members of the university community, shall appoint at least five non-Regent members of the committee to include at least: two faculty, one staff representative from the institution, one student, and one community and/or alumni member. The System President shall consider diversity, particularly as it relates to gender, race, and ethnicity, when making committee appointments.

The System President, in consultation with the Regent President and the chair of the Search and Screen Committee, shall designate one of the faculty committee members as the Search and Screen Committee vice chair.

It is essential that the members of the Search and Screen Committee be dedicated to a single objective—the identification and recommendation of the strongest possible candidates for a chancellorship of a University of Wisconsin institution.

4. SEARCH AND SCREEN COMMITTEE ROLE AND PROGRESS REPORTS:

The Search and Screen Committee shall be provided with an opportunity to review and provide input on the job description prepared by the System President and the Special Regent Committee. After the Special Regent Committee finalizes the job description, the Search and
Screen Committee shall conduct such interviews of semi-finalists as it deems appropriate, with at least one member of the Special Regent Committee in addition to the Search and Screen Committee chair observing each of the semi-finalist interviews. The Search and Screen Committee shall make periodic progress reports to the Special Regent Committee and the System President and shall continue to provide feedback on candidates until such time as the committee is discharged by the System President.

5. IDENTIFICATION OF FINALISTS:

The Search and Screen Committee shall subsequently provide a list recommending qualified individuals, in unranked order, along with an alphabetical list of all persons considered at a joint meeting of the Search and Screen Committee, the Special Regent Committee and the System President. The Search and Screen Committee may be asked to provide oral presentations on the candidates under consideration. If any of the names on the initial list presented by the Search and Screen Committee are not accepted by the Special Regent Committee, or if any of the recommended candidates withdraw from the search, then before the Search and Screen Committee is discharged, it may be asked to provide additional candidates from the list of persons considered as semi-finalists.

The Special Regent Committee shall determine the finalists who will be invited to continue in the selection process, with up to three being a typical number invited for interviews.

6. FINALIST INTERVIEWS:

The Special Regent Committee, in conjunction with the System President, shall review all of the finalists, conduct interviews, work with the campus community to schedule campus visits for the finalists, and identify a candidate to recommend to the full Board of Regents.

7. BOARD OF REGENTS APPROVAL:

The full Board shall approve the appointment, including salary.

Vice Chancellors:

1. PROCESS:

When a vacancy occurs or is imminent, the chancellor shall determine the process to be used to select a new vice chancellor. A UW institution may not adopt a policy or rule, or use a position description or job advertisement, that requires a candidate for a vice chancellor position to have served as a UW System faculty member or as a faculty member at another institution of higher education, to have been granted tenure at a UW System institution or at another institution of higher education, or to hold the highest level of academic degree in a field of study or profession.
2. POLICY ADOPTION:

This Regent policy will supersede all institutional policies on the matter of academic and professional qualifications for vice chancellors.

UW System Administration Senior Leadership Positions:

1. APPOINTMENT OF SEARCH AND SCREEN COMMITTEE:

When a vacancy occurs or is imminent, the System President shall appoint a Search and Screen Committee. For positions determined by the System President to involve a high degree of campus contact, the Search and Screen Committee may include faculty, staff, and/or student representatives.

2. SEARCH AND SCREEN COMMITTEE ROLE:

The Search and Screen Committee shall be provided with a job description prepared by the System President in consultation with the chair(s) of the appropriate standing committee(s) of the Board of Regents, depending on the duties and responsibilities of the vacant position. The Search and Screen Committee shall screen candidates and conduct such interviews as it deems appropriate.

3. IDENTIFICATION OF FINALISTS:

The Search and Screen Committee shall subsequently provide a list recommending qualified individuals, in unranked order, along with an alphabetical list of all persons considered. If any of the names on the initial list presented by the Search and Screen Committee are not accepted by the System President, or if any of the recommended candidates withdraws from the search, then before the Search and Screen Committee is discharged, it may be asked to provide additional candidates from the list of persons considered. In addition, the System President may identify as finalists up to two additional names from the list of persons considered by the Search and Screen Committee.

4. FINALIST INTERVIEWS:

The System President shall review all of the final candidates and conduct interviews. The System President shall fill the vacancy from among the candidates interviewed, and shall advise the appropriate Board standing committee of the person selected.

5. SALARY APPROVAL:

Board approval of the salary for senior leadership positions is not required unless the salary exceeds the Board-approved salary range.
6. APPOINTMENT:

In the case of the Chief Audit Executive, the appointment is made jointly by the System President and the Chair of the Board of Regents Audit Committee.

Interim Appointments:

The procedure for selecting an interim System President is as follows:

1. REGENT PRESIDENT'S AUTHORITY:

When a vacancy occurs or is imminent, the Regent President may appoint an interim System President to serve until a permanent appointment is made.

2. COMMITTEES NOT REQUIRED:

Appointment of a Special Regent Committee or Search and Screen Committee is not required or expected for an interim appointment.

3. REGENT PRESIDENT CONSULTATION:

Prior to appointing an interim System President, the Regent President shall consult with the Vice President and other members of the Executive Committee of the Board of Regents. Such consultation shall include the length and salary of the interim appointment.

4. LIMIT ON LENGTH OF APPOINTMENT:

In determining the length of an interim appointment, the Regent President shall consider the circumstances of the vacancy and the best interests of the UW System. The length of an interim appointment for a System President may not exceed three years.

5. ELIGIBILITY FOR PERMANENT APPOINTMENT:

An interim appointee shall not be considered a candidate in the search process for the permanent position without advance written authorization from the Regent President permitting the interim appointee to participate as a candidate for the permanent position.

The procedure for selecting interim Chancellors and UW System Administration senior leadership positions is as follows:

1. SYSTEM PRESIDENT'S AUTHORITY:

When a vacancy occurs or is imminent, the System President may appoint an interim leader to serve until a permanent appointment is made. In the case of the Chief Audit Executive, the
interim appointment is made jointly by the System President and the Chair of the Board of Regents Audit Committee.

2. COMMITTEES NOT REQUIRED:

Appointment of a Special Regent Committee or Search and Screen Committee is not required or expected for interim appointments; however, the System President is urged to consult with members of the university community where a chancellor vacancy is expected.

3. SYSTEM PRESIDENT CONSULTATION:

Prior to appointing an interim Chancellor, the System President shall consult with the Regent President and Regent Vice President. Prior to appointing interim senior leadership positions, the System President shall consult with the Regent President and Regent Vice President and with the chair of the appropriate standing committee(s) of the Board of Regents, as determined by the duties of the position. Such consultation shall include the length and salary of the interim appointment.

4. LIMIT ON LENGTH OF APPOINTMENT:

In determining the length of an interim appointment, the System President shall consider the circumstances of the vacancy and the best interests of the UW System. The length of an interim appointment for a Chancellor or senior leadership positions may not exceed three years.

5. ELIGIBILITY FOR PERMANENT APPOINTMENT:

An interim appointee shall not be considered a candidate in the search process for the permanent position without advance written authorization from the System Regent President permitting the interim appointee to participate as a candidate for the permanent position.

The procedure for selecting an interim Vice Chancellor is as follows: When a vacancy occurs or is imminent, the Chancellor may appoint an interim Vice Chancellor to serve until a permanent appointment is made.
