

VIEW: WISPER_DOCUMENTS

This view represents WISPER documents that have been received by the sponsored programs office. WISPER records include all grant proposals as well as other types of extramural support documents such as confidentiality agreements, contracts, other non-financial documents, graduate school awards, etc. Each WISPER record is listed only once in this view although the status and various dates may be updated based on routing or other actions. If WISPER records are put into the same status multiple times the dates shown will be the latest date. For example, if a record is put into Status 5 that date will be shown, if the record is changed back to Status 4.5, the date value for Status 5 remains on this view. If the record is put back into Status 5, the new date is shown in the view. If the WISPER record is a grant proposal and is awarded, the DOCUMENT_ID is the same as the SFS AWARD_ID. Additional data not contained directly in this view can be retrieved via joins/subqueries to other datamart views using the "KEY" fields (AWARDS_KEY, SPONSORS_KEY, PRIMARY_SPNSORS_KEY).

Column Name	Data Type	Null?	Comments
